About the Institute

Situated beneath the hilly stretch of Girnar and surrounded by scenic beauty, The Noble Group of Institutions campus is spread across 17 acres with 5 lacs square feet of infrastructure. It was founded by Shri Vivek Bharti Trust to bring in a techno-scientific change among the people of Saurashtra region who have been for long deprived of quality education facilities. The institution is a multi - disciplinary academic establishment in the region, marching forward to become a "Centre for Excellence" in Engineering, Science, Management, Pharmacy, Education, Nursing, Ayurveda and Homeopathy.

About the Conference

The Faculty of NGI is pleased to hold the National Conference on "Recent trends in Engineering, Management, Pharmacy, Science and Architecture" on 22-23 October, 2021, The Technology in each and every field particularly in Engineering, Management, Pharmacy, Science and Architecture are advancing very fast; beating many predictions like Moore's law.

The new technology which is emerging every day, every minute will definitely, radically transform the future of these fields. This conference provides a platform to present many Academicians, Researchers, Innovators, Managers, Executives, Scientists and students their ideas. This is a rare occassion for the people of different fraternity to meet at single venue to interact personally and to share their thoughts.

The Management of NGI is very humble and eager to receive you all at NGI campus, Junagadh, to enjoy the scenic beauty of Girnar and to have glimpses of wild animals like lions in the Gir forest.
