Full Marathon (42.195KM):	S$228
Half Marathon (21.0975KM):	S$157
10km Run:	S$114

Entry deadline: 31st January 2018

Departure Date: 6/4/2018

Day 1: Singapore – Beijing - Shenyang
SIN/PEK CA976 0930/1615
PEK/SHE CA1601 2000/2130
Assemble at Changi International Airport for your flight to Shenyang via Beijing. Upon arrival transfer to hotel for check in.

Day 2: Shenyang - Pyongyang (B/L/D)
SHE-FNJ JS156 1410/1550
After breakfast, embark on a city tour of Shenyang. Visit the **Shenyang Imperial Palace** - the only existing royal palace in China outside of the Forbidden City in Beijing. It contains a huge collection of relics from the Imperial Palace Court and arts & crafts which provides valuable information on the culture & arts during the Qing Dynasty. After lunch, transfer to airport for your flight to Pyongyang. Upon arrival, visit the **Chollima Statue**, literally known as "thousand-mile horse" is a mythical winged horse that originates from the Chinese classics and is commonly portrayed in East Asian cultures. This winged horse is said to be too swift and elegant to be mounted by any mortal man. **The Arch of Triumph** is a triumphal arch built to commemorate the Korean resistance to Japan from 1925 to 1945. It is the second tallest triumphal arch in the world, standing 60m high and 50m wide. After which we will go on an orientation drive around the city to familarise yourself with the marathon route. After dinner, transfer to hotel rest.

Day 3:Pyongyang(Marathon Run) (B/L/D)
After breakfast, proceed to **Kim Il Sung Stadium** for **29th Mangyongdae Prize International Marathon Competition** run. The Amateur Runners will be given tags from the relevant aurthorities. After the run, the award ceremony will also be held at the Mim Il Sung Stadium. Return to hotel to frashen up before lunch. After lunch, visit **Kim Il Sung Square**, which is the 37th largest square in the world, which can accommodate a rally of more than 100,000 people. The square has a great cultural significance, as it is a common gathering place for rallies, dances and military parades. Next visit **Tower of Juche Idea,** situated on the east bank of the River Taedong. It was built to commemorate Kim Il-sung's 70th birthday. The 170m structure is a four-sided tapering 150m spire – the tallest in granite.

Day 4: Pyongyang - Kaesong - Panmunjom - Pyongyang (B/L/D)
Today we will take a leisurely drive to **Kaesong City**, which is only 8km to the military demarcation line - **Panmunjom**. Some of the interesting sights in Panmunjom include the Signing Hall of Armistice Agreement and the Conference Hall of the Military Armistice Commission. After lunch proceed to **Koryo History Museum,** it was a Confucian educational facility of Koryo dynasty but now it became a museum displayed historical remains and relics showing the foundation and development of Koryo dynasty. Next visit **Mausoleum of King Wanggwon**, founder of Koryo Dynasty in Kaesong City. Return to Pyongyan to visit the **Monument to Three Charters for National Reunification,** a sculptural arch opened in August 2001 to commemorate Korean reunification proposals put forward by Kim Il-sung. The concrete arch straddles the multi-laned Reunification Highway leading from Pyongyang to the DMZ.

Day 5: Pyongyang (B/L/D)
After breakfast, embark on a city tour of Pyongyang and enjoy the beautiful scenery. Some of the attractions which you will visi is the **Mansudae Grand Monument** which was renovated in 2012 with two bronze statues of the late North Korea leaders Kim Il Sung and Kim Jong Il. Next visit **Mansudae Fountain Park** was opened in 1976 and is situated on Mansudae Hill. The big fountain has jets of water reaching up to 80m high and between the jets of water there are all white statues of groups of women playing or dancing. Then visit the **Pyongyang Metro**, which is one of the main means of transport in the city. It is a great edifice reminiscent of a palace for its architectural style, content Interior structure and ornament difference in each station. After that walking to **Mirae Scientists Street** (Future Scientists Street) is a newly develop area in Pyongyang to house scientific institutions and their employees. The six-lane street located between Pyongyang Railway Station and the Taedong river, is lined by the highrise aparments. Continue to the **Science Technology Complex**, designed in the shape of an atom with elliptical orbits. **The Sci-Tech Complex** act as an e-library for scientific work and papers produced by the country's scientists. It apparently features an earthquake-experience room and a virtual-science laboratory, and several "halls equipped with projectors and large touched-screen computers". After lunch. visit the **Victorious Fatherland Liberation War Museum** and the Monuments to the Victory. Then visit the **US Spy Ship "USS Pueblo"**. A visit will also be made to the **Children's Palace** - the most comprehensive centre for extra-curricular activities for school children in Pyongyang. Sit back and enjoy a world-class children cultural performance OR visit a **school children's performances**. Dinner will be served on a floating restaurant – enjoy dinner while watching the sunset over the Taedong River.

Day 6: Pyongyang – Shenyang (B/L)
FNJ/SHE JS155 1130/1210
After breakfast, transfer to the airport for your return flight to Shenyang. Upon arrival, proceed for lunch before check in to hotel .Afternoon is free at leisure.

Day 7: Shenyang- Beijing-Singapore (B)
SHE-PEK CA1636 1920/2105
PEK-SIN CA975 0055/0625+1
After breakfast, free at own leisure. In the evening, proceed to the airport for your return flight to Singapore via Beijing.

Day 8: Arrive Singapore .
Arrive in Singapore early morning with fond memories of a wonderful tour to Korea.

Note: Itinerary & order of sightseeing tours may be reshuffled.

Sit back and enjoy a world-class children cultural performance OR visit a **school children's performances**. Dinner will be served on a floating restaurant – enjoy dinner while watching the sunset over the Taedong River.

Day 6: Pyongyang – Mt. Myohyang – Pyongyang (B/L/D)
This morning depart for **Mt. Myohyang** by coach. Mt. Myohyang is one of the five famous mountains in Korea. See the beautiful valleys, steep cliffs and magnificent ridges. Visit the unique International **Friendship Exhibition**. On display are tens of thousands of valuable gifts presented to Great Leader Kim Jong Il. After lunch, visit **Pohyon Temple** built in 1042, Then visit Ryongmun Big Cave, this cavern is famous for its beautiful geological formations, including an underground waterfall, a stone "jeweled chandelier", and numerous stalactite and stalagmite formations. The most famous cave is the "Heavenly Paradise" cave, which features rocks shaped like elephants, flowers, cranes, and mushrooms. Return to Pyongyang for overnight stay.

Day 7: Pyongyang – Wonsan - Mt. Kumgang (B/L/D)
After breakfast, visit the **Mausoleum of the King Tong Myong**, the founder of Koguryo Dynasty in BC277. Continue long journey to Wonsan City by coach. Enroute enjoy the **Ullim Waterfalls** before arriving at **Wonsan**. After lunch visit **Songdowon International Children Union Camp** & **Chonsam Cooperative Farm** and experience their living lifestyle. Continue to Mt. Kumgang.

Day 8: Mt. Kumgang – Masikryong Resort (B/L/D)
This morning depart for the remarkable mountain, nicknamed 12,000 peaks, **Mt. Kumgang**. Mt. Kumgang's scenic zone changes with the four seasons. In spring, the mountain is surrounded by hundreds of blooming flowers, each spreading its unique scent. With this accompaniment, the mountain shines and shimmers with life. Therefore, it acquires the name Mt. Kumgang (Diamond Mountain). In summer, clouds float past the steep hill; greenery spreads through the land and bird chirps up high, as though one is living in Fairyland. Thus, it is named as Mt. Pongnae in this season. In autumn, maple leaves dress the mountain into a rosy Mt. Pungak. In winter, branches bare the sharpness and the snow glows on the peak, forming a beautiful painting known as Mt.Kaeful. As we make our way up on foot, enjoy this stunningly beautiful mountain with its forests, river & spectacular waterfalls. After lunch, visit Lagoon Samil. Drive to North Korea's first major ski resort, Masikryong Ski Resort via Wonsan.

Day 9: Masikryong - Pyongyang (B/L/D)
After breakfast, return to Pyongyang. Visit the **Mausoleum of the King Tong Myong**, the founder of Koguryo Dynasty in BC277. Visit **Native Home** in Mangyongdae, birth place of Kim Il Sung & eternal President of DPR Korea. Four generations lived in this humble straw-thatched cottage which was often found in Korea before liberation. Proceed to **Korea film studio** which was founded in 1947 and has an area of over 1 million m². It has whole streets with buildings imitating several places and time spaces; Ancient Korea, China, South Korea in the 1950s, Europe, Japan, etc. After dinner proceed to **Kaeson Fun Fair**, a DPR Korean amusement park where you can enjoy the rides and also is a great opportunity to wander amongst the locals & enjoying an evening of fun.

Day 10: Pyongyang (B/L/D)
This morning, visit **Kumsusan Palace of the Sun**. Kumsusan is the largest mausoleum in the world and the only one to house the remains of multiple people. To visit the palace you need to be dressed properly: shirts, ties and pants for men, modest dress for women. Proceed to visit **Revolutionary Martyrs Cemetery**, it hosts busts of national heroes in the DPRK who fought for the independence of Korea throughout different times of history. After lunch proceed to **Moran Hill**, here the local residents enjoying a day off in front of the Pubyok Pavilion in Moran Hill Park, Pyongyang. After dinner enjoy a party with the local people's for the Sun Festival celebrations on Day Of Sun,15th of April 2018. At night, the sky over the city of Pyongyang will be decorated with beautiful fireworks.

Day 11: Pyongyang – Shenyang (B/L)
FNJ/SHE JS155 1130/1210
After breakfast, transfer to the airport for your flight to Shenyang. Upon arrival proceed for lunch before check in to hotel. Afternoon is free at leisure.

Day 12: Shenyang – Beijing - Singapore (B)
SHE-PEK CA1636 1920/2105
PEK-SIN CA975 0055/0625+1
After breakfast, free at own leisure. In the evening, proceed to the airport for your return flight to Singapore via Beijing.

Day 13: Arrive Singapore
Arrived Singapore in the early morning with fond memories of a wonderful tour to Korea.

Note: Itinerary or sequence of sightseeing tours may be reshuffled.

DEPARTURE DATE

DAY1

Singapore – Copenhagen

SIN/CPH SQ352 2350/0625+1

Depart for Copenhagen on Singapore Airlines.

DAY2 (D)

Copenhagen / Reykjavik – Blue Lagoon Tour

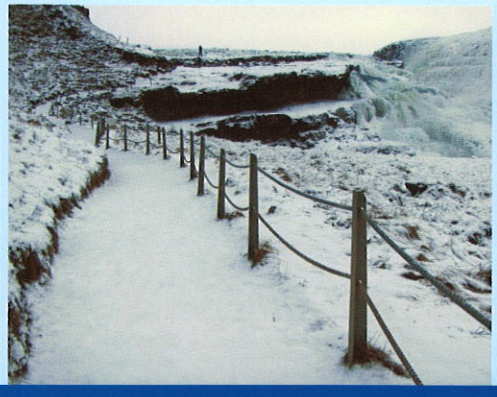
CPH/KEF FI205 1320/1530

Upon arrival at Copenhagen, embark on a city tour. Amongst the many attractions to be visited are the colorful Canal District, followed by the Gefion Fountain and the Parliament Building. Have an outside view of the Amalienborg Palace – winter residence of the Royal Family Next visit the world famous little Mermaid of Copenhagen. She sits on the stone gazing wistfully and waiting for her prince. After the tour, we return to the airport for connecting flight to Reykjavik. A short drive from airport, we will experience one of the most unusual places in Iceland, where we put on our swimming costumes and go bathing in the Blue Lagoon, a natural mineral-rich geothermal pool in the middle of a large and dramatic lava field between airport and city area. It is special and invigorating because it is reputed for its healing properties. After the bath we will continue our trip to Reykjavik.

DAY3 (B/L/D)

Reykjavik – Golden Circle – Selfoss

From Reykjavik, we drive to the national park Þingevellir. It is the most important historical place of Iceland, the old parliament site, where in the year 930AD the national assembly was founded to rule the country. We will then take a short walk through the old sites trying to find the atmosphere of long gone times. Þingvellir is not only important to the Icelandic history; it is also a place of high geological interest, a place where the meeting of the two drifting continental plates can be seen. Driving through the agricultural site, you will reach Gullfoss which is known in Iceland as the Queen of Icelandic waterfalls "Golden Falls". The water tumbles 32 meters into the canyon of Hvítá (the white river) after having travelled 30 km from the glacier Langjökull (the long glacier) in the north. Nearby is the fascinating geothermal area of Geysir. The most active geyser is Strokkur "the churn" which can spout up to seventy feet every five to seven minutes. For the next three days we will be far away from the city. During winter, if luck is with us we will be able to witness their natural phenomenon, Northern Light! This natural celestial light show is by far the nature's most beautiful creations.



DAY4 (B/L/D)

Selfoss – Vik - Skaftafell

From Selfoss we then drive to Skógar, a tiny village where one of the better Folk Museum can be found in the garden and a couple of old wooden houses to visit. After we visit the museum, we stop at the waterfall of Skógar. Falling gracefully 60m down the green mountain, it is a waterfall that is often featured in advertisement. Next, we drive through the southernmost of Iceland; Vík, before driving through the black sands of Mýrdalssandur and through the lava fields of Eldhraun (fire lava) resulted from a yearlong eruption in 1783. This eruption was devastating for Iceland, and the years that followed are referred to as the "misty times" due to the volcanic ash lingering for a long time in the air. We will then pass through the small village of Kirkjubæjarklaustur then we will have one night in Southeast area.

DAY5 (B/L/D)

Skaftafell – Jökulsárlón – Skaftafell

Today, we will drive over to Skeiðarársandur, where the flood of 1996 temporarily cut off this road and some of its bridges, leaving iceberg scattered around the sandy plains. Next, we will enjoy a visit to the glacier lagoon, Jökulsárlón, the largest lagoon in Iceland. Jökulsárlón has been a setting for popular Hollywood movies such as 'Die Another Day', 'Tomb Raider' and 'Batman Begins'. Next, we take a walk around the area of the floating icebergs and enjoy the breathtaking sceneries. We will then drive back along the south coast of Vatnajökull Glacier and the highest peak in Iceland, Hvannadalshnjúkur 2119m.

DAY6 (B/L/D)

Skaftafell – Reykjavík

Today we drive along the south coast and head back to Reykjavík. We will stop at the black beach of Reynisfjara with Reynisdrangar, black basalt columns sculpted by the sea. An Icelandic folk tale says that they are former trolls which were caught outside at dawn. Our next stop is the outstanding Seljalandsfoss waterfall, falling narrowly 50m above ground. Continue to Reykjavík for overnight stay.

出发日期

第一天

新加坡 – 哥本哈根

SIN/CPH SQ352 2350/0625+1

齐聚樟宜机场搭乘新航班机前往哥本哈根，飞行时可以品尝美味佳肴，欣赏最新电影，以及享受新航顶尖的服务。

第二天 (晚餐)

哥本哈根 – 城市/雷克雅维克 – 蓝色温泉湖

CPH/KEF FI205 1320/1530

清晨抵达歌本哈根后，游览歌本哈根闹市风光，先参观七彩缤纷的运河区，盖费昂喷泉，议会大厦以及丹麦皇家冬天避寒的冬宫-阿玛丽堡，最后参观闻名遐尔的小美人鱼塑像。接着前往机场飞往雷克雅维克，抵达后前往位于雷克雅维克南部机场到市区之间的蓝色温泉湖。蓝色温泉湖是世界最大的温泉湖，也是冰岛最热门的景点之一。纯白的底湖，湛蓝的湖水，薄纱似的热汽飘浮在湖面，犹如童话里天女沐浴的仙境。湖底的白色物质是高含量的二氧化硅泥，有护肤作用，当地人把蓝湖当作"天然的美容院"。将身体浸泡在30度的蓝湖水里，闭上双眼，身心完全地放松，充分享受大自然的赐予。

第三天 (早/午/晚餐)

雷克雅维克 – 黄金旅游圈 – 赛尔福斯

今天我们来到冰岛历史上最负盛名的圣地，亦是国家的摇篮，也是西方国家民主政治发源地之一，素有"世界最古老的民主议会会址"之称的辛格维利尔国家公园。公元930年，辛格维利尔平原上成立的露天议会，标志着冰岛作为一个独立国家的存在。这里有奇特的自然景观-大裂缝，它是欧洲与美洲板块的分界之地，欧亚大陆犹如被大地之神高高举起，使得两大板块的落差有十多米。站在这里，双脚可以横跨欧美板块。接着前往黄金瀑布，又称瀑布"皇后"。她是冰岛最大的断层瀑布，奔腾的河水轰鸣中直泻32米，而后又急坠于72米深、2.5公里长的峡谷之中。在急泻过程中激起漫天水雾，沸腾的水雾在阳光下形成道道彩虹，金光闪闪，仿佛黄金般美丽，故而得名"黄金瀑布"。冰岛是一个间歇泉非常集中的国家，盖策间歇喷泉是其中最有名的一个间歇泉区，其中有名的史托克喷泉水柱变成水蒸气直上空中可达约70米，周而复始，十分壮观。今后三晚因远离大城市，所以在冬季时如果我们幸运的话可见到璀璨的北极光。北极光是出现于地球北极的高磁纬地区上空的一种绚丽多彩的发光现象。由来自地球磁层大气分子或原子激发而产生。灿烂夺目北极光一般都是以绿色为主，但因太阳分子与不同气体如氧和氮在不同高度碰撞时，北极光的颜色会分成蓝，红或紫色。有时可维持好几小时，有时只是几秒钟，但有时它完全不露面。如幸运看到北极光，一定让你目不转睛，啧啧称奇。

DAY7 (B/L)

Reykjavik – City Tour

Weaving our ways through narrow alleys framed with old timber houses, we learn about the life of the Icelandic capital from its very beginning to the present day. We will pass by Hallgrimskirkja Church and enjoy a photo stop at Hofoi house, where the Reagan/Gorbachev summit meeting took place in 1986. From the City Hall, we will take a walk through the city centre to the street where the first settler built his house. Next to the Parliament and Lutheran cathedral, we will pass by the sculpture of Skuli Magnusson, the founder of Reykjavik and Jon sigurosson, our real independence hero. After which we drive past the Catholic Church and enjoy the panoramic view of Reykjavik, the fjord and mountains from the balcony at the pearl. After that, the rest of the day will be free for leisure. Dinner will be on your own.

DAY8 (B)

Reykjavik / Copenhagen

KEF/CPH FI204 0800/1200

After an early breakfast, transfer to the airport for flight back to Copenhagen. Upon arrival, check-in to hotel. This afternoon is deliberating left free for you to do some last minute shopping.

DAY9 (B)

Copenhagen / Singapore

CPH/SIN SQ351 1230/0730+1

After breakfast, transfer to airport for your return flight to Singapore.

DAY10

Arrive Singapore

Arrive Singapore in the early morning with sweet memories of a wonderful tour to Iceland.

第四天 (早/午/晚餐)

赛尔福斯 – 维克 – 努帕

早餐后，驱车往斯科加尔小镇参观一个民俗博物馆。然后游览森林瀑布，瀑布从60米高的茂密森林飞奔直下，气势磅礴。接着经过冰岛最南端的维克小镇，路过梅达尔桑杜尔黑沙滩及Eldhraun 熔岩区。熔岩区是在1783年火山经过长达一年的喷发而形成的。由于火山灰的弥漫，冰岛很长一段时间都浸在烟雾之中。沿途路过科克拜亚克劳斯特镇然后努帕住一晚。

第五天 (早/午/晚餐)

努帕 – 杰古沙龙湖 – 努帕

今天我们会，沿途路过冰岛最大的平原之一-斯凯达拉尔。这座一望无际的黑色平原，靠近山的这一面是一座银白晶莹的冰河，另一面则是冒着热气的地热喷泉，让人有到了世界尽头之感。过后，前往杰古沙龙冰河湖，位于冰岛南端，是冰岛最大、最著名的冰河湖。在冰湖里很多形状各异的超大冰块冻结于湖面。著名的好莱坞电影"古墓丽影"和"蝙蝠侠.开战时刻"及007系列电影如"择日而亡"等都曾在此取景拍摄。大家可以在这里散步欣赏美景。回途沿着南部海岸，可以看到欧洲最大的冰川-瓦特纳冰川，及冰岛最高的山峰，华纳达尔斯赫努克山，海拔2119米。

第六天 (早/午/晚餐)

努帕 – 雷克雅维克

沿着南部海岸回到雷克雅维克，途中将游览神奇的黑沙滩和熔岩高耸的玄武石群。我们也将游览塞里雅兰瀑布，高度50米，游客可以在瀑布后面行走，有如进入水帘洞一般。水珠随风飘落，一不小心就会衣衫尽湿。太阳照耀在水帘上，幻化成一道美丽璀璨的彩虹，景色十分迷人。

第七天 (早/午餐)

雷克雅维克 – 城市游

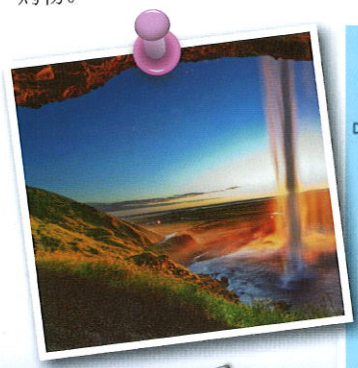
今天，游览雷克雅维可的闹市风光。途经位于市中心的哈尔格林姆斯教堂，它设计新颖，为管风琴结构，是该市的地标性建筑。我们也将在霍夫迪楼外拍照留念，这里是里根-戈尔巴桥夫峰会地点。从市政厅步行到达城市中心街道，那里有冰岛第一个定居者建造的房子。与国会和大教堂相邻的是雷克雅维克创造人马格努森的雕像和冰岛独立之父西格松的雕像。驱车经过天主教教堂，我们来到著名的珍珠楼。在其顶部的阳台上，雷克雅维克的群山与峡湾尽收眼底。过后，自由活动，大家随意逛街购物。晚餐自理。

第八天 (早餐)

雷克雅维克 / 哥本哈根

KEF/CPH FI204 0800/1200

早餐后，前往机场飞往歌本哈根。抵达后，入住酒店。下午自由活动，大家随意逛街购物。



第九天 (早餐)

哥本哈根 / 新加坡

CPH/SIN SQ351 1230/0730+1

早餐后，送往机场飞返美丽的家园-新加坡。

第十天

抵达新加坡

早上带着美丽冰岛的回忆抵达温馨家园。但愿不久的将来能再为您服务。
