## Vacancy Announcement

<b>Position</b>	One-on-One Special Learning Support Aide	<b>Starting Date</b>	ASAP
-----------------	--	----------------------	------

### General Description

The role of One-on-One Special Learning Support Aide is to provide support to the instructional program with the specific responsibility of assisting in the supervision, care, and instruction of a student with special needs in a general education setting or in a self-contained classroom; assisting in implementing plans for instruction; monitoring student behavior; and providing information to the appropriate school personnel.

### Position Details and Responsibilities

- Provides, under the supervision of the assigned teacher, instruction in a variety of individual activities for the purpose of reinforcing instructional objectives for an LS student
- Provides support for the student under care inside and outside the classroom to enable the student to participate fully in activities
- Adapts classroom activities, assignments and/or materials under the direction of the supervising teacher for the purpose of supporting and reinforcing classroom objectives and meeting IEP goals
- Administers tests, homework, make-up work, etc. for the purpose of supporting the student's needs in the classroom
- Attends relevant meetings for the purpose of acquiring and/or conveying information relative to educational and social development of the student under care
- Communicates with supervising instructional staff, counselors and other

professionals to ensure that the RIS Learning Support program is properly implemented.

- Escorts the student under care for the purpose of ensuring an efficient and safe arrival to and/or from a destination
- Implements, under the supervision of assigned teacher, interventions for the purpose of presenting and/or reinforcing learning concepts
- Intervenes in potential conflicts utilizing appropriate approaches for the purpose of diffusing confrontations and minimizing class disruptions
- Supports the student under care with emotional or behavioral concerns and assists in developing appropriate social skills.
- Monitors the student's daily schedule and behavior plan for the purpose of maintaining a safe and positive learning environment.
- Supervises the student under care in a variety of settings (e.g. field trips, hallways, cafeteria, play areas, classrooms, etc.) for the purpose of providing a safe and positive learning environment
- Supervises and escorts the student under care during any and all emergency drills or during actual emergencies for the purpose of providing a safe learning environment

### **Qualifications and Requirements**

- A Bachelor's degree
- Experience working with Learning Support students is preferred
- Ability to communicate well and establish firm and consistent boundaries
- Relate to children with an understanding in an open, calm and friendly way
- Enjoy working with children
- Patience, creativity and initiative
- Flexibility, adaptability and reliability
