

World University Championship

28 June - 2 July, 2016, Flyinge

BULLETIN 2

1. Organizer

Welcome to the 11th World University Equestrian Championship, be hosted by Flyinge, Sweden.

Flyinge, an experienced organizer of major equine events, in collaboration with the customized event organization will deliver a high level championship. In addition to offer world-class competitions our aim is to create unique encounters between local employers and students. The classic grounds of Flyinge provides a mixture of top class facilities for all equestrian disciplines, dating back to the 12th century.

2. Sport venue

Flyinge is one of the best-known equestrian centers in northern Europe and one of the world's oldest active national studs, dating back to the 12th century. It is an equestrian center for breeding, education, research and training. The stud is situated about 15 kilometers from Lund and was established as a royal stud by King Carl X Gustaf of Sweden in 1661.

In 2011 Flyinge celebrated its 350th anniversary. It is a place of outstanding beauty, where historical buildings contrast with ultramodern architecture; it comes complete with chattering storks on the roofs and magnificent horses in the stables. Flyinge is not only a historical landmark, it is also a top level equestrian venue with several indoor- and outdoor arenas customized for all traditional equestrian disciplines. At a yearly basis the venue hosts about ninety days of equestrian events.

The showjumping venue is a big grass arena with lots of space and great footing for specifically showjumping. The dressage arena has a cultural setting with its location in the middle of Flyinge

3. The province of Scania

Did you know that Scania - or Skåne as the Scandinavians say - was named Top 10 of places to go in 2016 by the New York Times?

Visiting WUEC 2016 will give you the perfect opportunity to see more of Sweden's southernmost province. Why not visit Falsterbo Horse Show the week after WUEC, dance around the midsummer pole the weekend before, take a trip to Österlen, a region famous for its delicious apples, go sight-seeing in Malmö, Sweden's third biggest city or have a swim in the ocean at one of the many beautiful beaches.

More information about Scania can be found at eventinskane.com and visitskane.com.

4. Lund

Lund is a charming university city in the middle of Scania. It is said that you can spend your whole life in Lund without finding all the quiet little corners and beautiful buildings. Enjoy the museums, buzzing market squares, shops, department stores, cafés and restaurants. Culture and knowledge are central to Lund. With the old university and cathedral, the innovative corporate culture and engaged inhabitants, Lund is a modern city, but rich in tradition.

Our partner, Visit Lund provides more information about Lund at visitlund.se/en.

5. University of Lund

Lund University seeks to be a world-class university that works to understand, explain and improve the world and the human condition. The University is ranked as one of the top 100 in the world and tackles complex problems and global challenges and work to ensure that knowledge and innovations benefit society. The University provides education and research in engineering, science, law, social sciences, economics and management, medicine, humanities, theology, fine art, music and drama. Lund University has 42 000 students and 7 680 employees. The University is an international university with global recruitment and cooperation with 600 partner universities in over 70 countries.

More information about Lund University at lu.se.

6. Malmö University

Malmö University strives to be a university open to all. A university that is structured to cope with the everchanging job market through a multidisciplinary approach that crosses traditional faculty boundaries. Malmö University was founded in 1998 and is a young, modern and international university. It has about 24 400 students and offers undergraduate and postgraduate education.

Malmö University is a state institution accredited by the Swedish Higher Education Authority.

More information about Malmö University at mah.se.

7. Lund Student Riders

An important partner to the WUEC 2016 is LARS Student Riders, a non-profit organization with the mission to promote the equestrian's sports among university and college students. The association was formed in 1959 and have through the years gathered the horse interested students to socialize with like-minded people during the time at university. LARS Student Riders organize different activities for their members, a riding lesson once a week at the local riding club and participation in different student equestrian competitions both in Sweden and abroad.

Find out more on lundsstudenttryttare.se or facebook.com/lundsstudenttryttare.

8. Swedish University of Agricultural Sciences

SLU is a university with comprehensive knowledge of the sustainable use of biological natural resources, as well as of the environmental and life sciences. The activities span from genes and molecules to biodiversity, animal health, bioenergy and food supply. Urban and regional planning, sustainable urban and rural development and global issues such as climate change are also on the agenda.

To summarize, the work is about how we can use biological natural resources from forests, soil and water without exhausting them and while preserving welfare for humans and animals alike. This is the fundamental principle that permeates the education, research and environmental monitoring and assessment at SLU. SLU's knowledge is sought-after both by decision-makers and by the green sector (agriculture, forestry, fisheries etc.).

Sunday 3rd July

Departure day - Lund

10. Competition Rules

Please see the technical regulations and dressage tests.

11. Participants

Participating countries

1. Hong Kong
2. Germany
3. Sweden
4. USA
5. Switzerland
6. Thailand
7. Norway
8. Finland
9. Japan
10. Hungary
11. The Netherlands
12. Austria
13. Poland
14. Spain
15. Ireland
16. Estonia
17. France
18. Belgium

12. Entry Fees & Entry procedure

- You have already made your general entry via the FISU accreditation portal.
- The next step is to make the quantitative entry via the FISU accreditation system. The Championship will include both dressage and showjumping and nations need to send at least a full team of 3 riders to be able to participate.
- When you have made the quantitative entry. 25 % of the participating fee shall be paid to the OC (see payment details below). If you not have done this yet we kindly ask you to do this as soon as possible.
- Individual entries and travel plans shall be done before the 28th May. The individual entry will be made via the FISU accreditation portal and the remaining fees will be paid to the OC (see payment details below).
- Participating Fee – the participation fee for the Championships is 70 EUR per day and per participant. If you register more officials than what our regulations allow (9), the Organizing Committee is entitled to ask you a higher participation fee (established per event upon our approval).

The general arrival day of the championship is Monday 27th June and the departure day is Sunday 3rd July. This means that you should pay 70 EUR/day and participant x 6 days = 420 EUR/participant. For example if you send a delegation of 5 persons your total fee to the OC is: 2100 EUR. 25 % of this fee: 525 EUR will be paid by the 28th march. The remaining fee: 1 575 EUR will be paid by the 28th May to the OC (see payment details below).

To make the accreditation process as convenient as possible for everyone we kindly ask you to make all the payments as asked before you arrive to the Championship.

13. Equipment of the riders

When mounted protective Headgear secured by a three point retention harness is compulsory. Dark coat or club uniform coat. White or fawn breeches or jodhpurs with boots. White shirt and tie or hunting stock. Gloves must be worn in the dressage arena, failure to do this will lead to elimination.

Only blunt spurs are allowed, unless the CTI acknowledges another type of spurs for a specific horse. This must be declared before the first rider on the horse in question starts in the event. Plastic spurs are not allowed. Request to use other than blunt spurs has to be submitted to the CTI before the first rider of the horse in question starts his warm-up.

For the dressage event, the dressage whip (with a maximum length of 110cm[~]) is allowed only in the warm-up area. Riders may use it during the event only if the President of the Dressage judges allows it *expressis verbis*. This must be declared before the first rider of the horse in question starts the event. For the jumping tests, all riding whips measuring less than 75cm are allowed. It is forbidden to use the whip in the “violin stick” position.

14. Accommodation and Boarding

The accommodation for the delegations will be provided at Hotel Djingis Khan in Lund, 15 kilometers from the sport venue. Hotel Djingis Khan is a four-star hotel in the north of Lund. The hotel is located in a quiet residential area, only a couple of minutes from the highway exit. At one side pure nature, Sankt Hans Hills with green hills and paths for walking and running - on the other the vital northeast parts of Lund with the Science park Ideon. The planned ESS research facility will also be close by.

Unless a special evening event is organized, the dinner will be served at the hotel, breakfast is served at the hotel and lunch will be available at the venue. Please make sure you fill out this form if you have any special food preferences or allergies, use this link.

15. Transportation

We will be arranging a shuttle service with busses and cars that will be taking all the competitors, officials and others from Lund to the venue and back. There will be a schedule with a timetable for the shuttle service. At the arrival- and departure days we will pick up/leave the delegations at Lund Central station at suitable hours according to your travel plans.

16. Travel

We intend to provide a branded championship desk at the designated points of entry to allow easy identification of where you can collect your transport.

Lund central train station

The official point of entry for the WUEC is Lund central train station (Lund C). Transportation from Lund C to the accommodation will be provided to teams, officials and other agreed categories. We will offer help to buy tickets from Copenhagen Airport (CPH) to the train station in Lund for those who wish. A ticket from CPH to Lund C costs around 15 euro. Lund C is the main train station for the local community and visitors in and around Lund. With connecting trains from Copenhagen Airport (CPH) (35 min), Malmö central station (10 min), Malmö airport (45), Gothenburg (2 hrs 45) and Stockholm (4 hrs).

Copenhagen Airport

As stated above the official pick up point is Lund central station. However, the largest airport in the area is Copenhagen airport (CPH). CPH is the largest airport in the Nordic countries with 26.6 million passengers in 2015 and one of the oldest international airports in Europe. Furthermore, it is by far the busiest airport for international travel in Scandinavia. Copenhagen Airport handles around 60 scheduled airlines, and has a maximum operation capability of 83 operations/hour. Unlike other Scandinavian airports, a considerable share of the airport's passengers are international. As we presume that most of our guests for the WUEC will arrive by airplane to CPH, we will make sure that you find your way to the train leading you on to Lund C by having volunteers meet you at the airport.

17. Media

Equisport TV will broadcast the entire championship.

18. Transportation

We will be arranging a shuttle service with busses and cars that will be taking all the competitors, officials and others from Lund to the venue and back. There will be a schedule with a timetable for the shuttle service. At the arrival- and departure days we will pick up/leave the delegations at Lund Central station at suitable hours according to your travel plans.

19. Gala Dinner

At Friday the 1st of July Lund University and City of Lund have the pleasure of inviting all delegates to a Gala Dinner held at beautiful Grand Hotel in central Lund.

Lund University & City of Lund
have the pleasure of cordially inviting you to a

Gala Dinner

in celebration of WUEC 2016

The dinner will be held at beautiful Grand Hotel in central Lund and include a three course meal, entertainment and dancing.

FRIDAY | JULY 1, 2016 | 7:00 PM

Grand Hotel, Bantorget 1, Lund

Dress Code: Black Tie RSVP by May, 31

20. Additional Information

Family and friends

If you wish to invite family and/or friends to come to the WUEC they're very welcome. However they need to manage the accommodation and transportation by themselves. There will be food and beverages for sale at the venue and our recommendation is to book room at one of the following hotels: Grand Hotel, Elite Hotel or Hotel Finn.

If they wish to come at the Gala Dinner Friday 1st of July please send an e-mail to: gala.wuec16@gmail.com by the 31st of May.

Please respect that Flyinge, the Swedish University Sports Federation and the venue has zero tolerance with alcoholic beverages both for athletes and audience during the championship.

You can find more information on the WUEC 2016 website.
