Release and Hold Harmless Agreement

I acknowledge the inherent risk involved in riding and working around horses, which risks include bodily injury from using, riding or being in close proximity to horses, among other risks, and further, that both horse and rider can be injured in normal use or in competition and schooling.

For the privilege of riding, competing and/or working around horses at Equestrian Paradise (hereafter called the Club) I agree to hold harmless and indemnify the Club and its managers and employees, and further release each of them from any liability or responsibility for accident, damage, injury, or illness to myself or any horse owned by me or to any family member or spectator accompanying me while on the premises of the Club.

Except in the event of the Club's gross and willful negligence, I shall bring no claim or demand, nor commence any litigation, against the Club for any economic and non-economic losses due to bodily injury, death, and/or property damage sustained by me or any family member, a spectator accompanying me while on the premises of the Club, or while riding, handling, or otherwise being near horses owned by me or in the care, custody and control of the Club or while under the direction and instruction of any instructor, coach or trainer at the Club.
