The new Toyota MPV

The Toyota MPV inherent distinctive and sturdy lokking design accentuates the MPV's dynamism and commanding presence. Conceived as Toyota's flagship MPV, the MPV displays a dynamic and hospitable personality, rendered in a streamlined, distinctively grand format with a spacious cabin and comprehensive features to ensure superior driving enjoyment. Travellers on the Toyota MPV can assuredly look forward to endless traveling pleasure and pride.

Your Luxurious Space

The luxury 7-seater Toyota MPV combines the convenience of advanced and highly functional amenities in an optimized interior. Climate control air-con with multiple air vents for all passengers are standard on the MPV. In the AS and AX-L models, the seats can be folded down to form a mammoth bed, and the center row slides backwards and forwards and spins, allowing the rear occupants to face each other.

Safety

Safety on the MPV is not a compromise. The Toyota MPV comes with ABS with EDB. Airbags and seatbelts with pre-tensioners are also standard.
