### Recommendation 2.7

1. **Board has overall responsibility in ensuring that there is a group-wide policy and system governing related party transactions (RPTs) and other unusual or infrequently occurring transactions.**  
   **Compliant**
   Per the Company’s Manual on Corporate Governance, the Board of Directors has the duty to ensure that there is a group-wide policy and system governing related parties and Related Party Transactions (RPT), particularly those which pass a certain threshold of materiality. In 2017, the Board of Directors approved the Company’s RPT Policy, and created the RPT Committee to ensure that all RPTs are (i) at arm’s length in accordance with transfer pricing rules; (ii) fair, or are based on market practices, and (iii) inure to the best interests of the Company and its shareholders. The RPT Policy also establishes a particular level of reporting and approval process for RPTs that pass a certain threshold of materiality.

2. **RPT policy includes appropriate review and approval of material RPTs, which guarantee fairness and transparency of the transactions.**

| The RPT Committee, composed entirely of Independent Directors, deliberate on material and significant RPTs across the Group, taking into account the size, structure, risk profile and complexity of the Company’s operations. |
| In 2019, the Company’s RPT Policy was amended in compliance with the SEC Memorandum Circular No. 10 series of 2019. The new rule focuses and regulates only material RPTs or RPTs amounting to ten percent (10%) or higher of a company’s total assets. The new rule also specified an approval process for material RPTs and mandated publicly-listed companies to notify the SEC of their RPTs that breach the threshold. |
| The Company’s Revised RPT Policy ensures that all RPTs within the group are conducted at arms-length and at market prices, underwent the appropriate approval process, and material RPTs are reported within the period prescribed by the SEC. |
| In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold. |
| In 2022, the Company did not enter into any material related party transactions and there was no reported case of non-compliance with the laws, rules and regulations pertaining to material RPTs. All RPTs were entered into on an arm’s-length basis. |

higher of a company’s total assets. The new rule also specified an approval process for material RPTs and mandated publicly listed companies to notify the SEC of their RPTs that breach the threshold.

Any RPT involving Directors or Corporate Officers, regardless of amount, require the review and approval by the Board of Directors.

In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold. The RPT Committee continued to ensure that related party transactions are taken on an arm’s-length basis, within market rates, and with sufficient documentation.

In 2022, the Company did not enter into any material related party transactions during 2022 and there was no reported case of non-compliance with the laws, rules and regulations pertaining to material RPTs. All RPTs were entered into on an arm’s-length basis.

2. Board establishes a voting system whereby a majority of non-related party shareholders approve specific types of related party transactions during shareholders’ meetings.  

   **Provide information on voting system, if any.**  

| Non-Compliant | The Company has adopted the statutory shareholder voter protection requirements under the Revised Corporation Code and the PSE and SEC rules. These require either supermajority vote or majority of minority vote on certain transactions. In addition, all common shareholders of the Company are entitled to the exact same voting rights.  

   In addition, the Board has created the RPT Committee composed entirely of Independent Directors. The Company’s RPT Policy also sets out clear guidelines as to the manner in which related-party transactions are presented to the |
RPT Committee and the transactions that require action on the part of the RPT Committee. Finally, the Company also presents all Board and Company actions (including all related-party transactions) for ratification at each annual shareholders meeting.

In 2019, the Company has adopted the Revised RPT Policy in compliance with SEC Memorandum Circular No. 10 series of 2019. The new rule outlined the required reporting and approval process for material RPTs or RPTs amounting to ten percent (10%) or higher of a company’s total assets, which includes the ratification by the stockholders representing 2/3 of the Company’s outstanding capital stock if the majority vote of the Independent Directors were not secured.

In 2021, the AEV Board amended the Revised RPT Policy to further strengthen the review, reportorial, and approval processes of RPTs, particularly those falling below the SEC-defined materiality threshold. The RPT Committee continued to ensure that RPTs are entered into on an arm’s-length basis, within market rates, and with sufficient documentation.

The Company amended its Revised Manual and Board Charter during 2022 to increase the quorum and voting requirement to two-thirds (2/3) of the members of the Board.

The Company believes that these measures provide sufficient protection to the interests of minority shareholders insofar as related-party transactions are concerned.

monitoring and control of the Company’s principal business risks.
