RELATED PARTY TRANSACTIONS POLICY

A. INTRODUCTION

It is the policy of Aboitiz Equity Ventures Inc. (the “Company”) that related party transactions (RPTs) are reviewed and approved in a manner that guarantees fairness and transparency, conducted at an arm's length basis, with consideration paid or received and on terms no less favorable than any such terms available to unrelated third parties under the same or similar circumstances.

B. COVERAGE AND DEFINITION OF TERMS

This RPT Policy provides the general guidelines to be observed in relation to the review, approval and reporting of Material RPTs, and shall be referred to as the “RPT Policy.”

Capitalized terms used herein are defined under Annex “A” of this RPT Policy.

C. GENERAL PRINCIPLES

1. The Company shall, at all times, comply with the requirements of the Revised Corporation Code, its Articles of Incorporation and By Laws, regulations and circulars by the Securities and Exchange Commission (SEC), and other related laws, rules and regulations in approving and reporting Material RPTs.

2. The principle of "arm's length" requires that the transaction with a Related Party be made under comparable conditions and circumstances as a transaction with an independent party. It is founded on the premise that if market forces drive the terms and conditions agreed upon in an independent party transaction, the pricing of the transaction would reflect the true economic value of the contributions made by each entity in that transaction. To illustrate, if two associated enterprises derive profits at levels above or below the comparable market level solely by reason of the special relationship between them, the profits will be deemed as non-arm's length.

3. Transactions within the Materiality Threshold that were entered into with an unrelated party that subsequently becomes a Related Party may be excluded from the requirements of this RPT Policy. In the event such non-Related Party subsequently becomes a Related Party, these transactions shall be considered Material RPTs and any alteration to the terms and conditions or increase in the exposure level thereof shall subject the relevant Material RPT to the requirements of this RPT Policy.

4. The Board of Directors, through the RPT Committee, shall ensure that: (a) all transactions with, or for the benefit of, any Related Party are handled in a sound and prudent manner, and in accordance with applicable laws and regulations to protect
the interest of the Company’s shareholders and other stakeholders; and (b) all RPTs are on terms and conditions that are arm’s length and within market rates, with sufficient documentation, and coursed through all appropriate levels of approval as provided in this RPT Policy.

5. To promote good governance across the Aboitiz Group, the Company’s Affiliates are also encouraged to formulate their own RPT policies, consistent with this RPT Policy and with best practices specific to their industry and size of operations.

D. MATERIALITY THRESHOLDS AND APPROVAL PROCESS OF MATERIAL RPTS

1. Any transaction by the Company with a Related Party, either individually or in the aggregate over a twelve (12)-month period with the same Related Party, amounting to ten percent (10%) or higher of the Company’s consolidated total assets based on its most recent audited financial statements, shall be considered a Material RPT.

2. All Material RPTs shall be reviewed and approved by the RPT Committee, and approved by at least two-thirds (2/3) vote of the Board of Directors, with at least a majority of the Independent Directors voting to approve the Material RPT.

3. For aggregate RPTs within a twelve (12) month period that breaches the Materiality Threshold, the same Board approval would be required for the transaction/s that results in meeting and/or exceeding the Materiality Threshold covering the same Related Party.

4. Only Material RPTS approved and endorsed by the RPT Committee to the Board of Directors shall be included in the agenda of the relevant board meeting. Directors with personal interest in the Material RPT must abstain from participating in the discussion and from voting. In case they refuse to abstain, their attendance shall not be counted for purposes of assessing the quorum and their votes shall not be counted for purposes of determining approval.

5. In case a majority of the Independent Directors’ vote is not secured, the Material RPT may nevertheless be ratified by the vote of the shareholders representing at least two-thirds (2/3) of the Company’s outstanding capital stock.

6. In the evaluation of the Material RPT, the RPT Committee shall ensure that an external independent party, such as an auditing or accounting firm, a third party consultant or an appraiser, evaluated the fairness of the terms of the Material RPTs.

7. The Board of Directors, through the RPT Committee, shall implement effective price discovery mechanisms to ensure that transactions are entered into at terms that promote the best interest of the Company and its shareholders. These price discovery mechanisms may include, but are not limited to, acquiring the services of an external
expert, opening the transaction into a bidding process, publication of available property for sale, or applying the principles of transfer pricing rules and mechanisms. To this end, the Board of Directors, through the RPT Committee, should appoint, before the execution of a Material RPT or upon the crossing the Materiality Threshold, an external independent party to evaluate the fairness of the terms of the Material RPT.

**E. DISCLOSURE AND REPORTING OF MATERIAL RPTS**

1. A summary of Material RPTs entered into during each relevant reporting year shall be disclosed in the Company’s Integrated Annual Corporate Governance Report (I-ACGR) submitted annually every May 30.

2. An Advisement Report signed by the Corporate Secretary or any authorized representative, consistent with Annex “B” hereof, shall be filed within three (3) calendar days from the execution date of any Material RPT.

3. The Company shall comply with the information required to be disclosed for Material RPTs, as enumerated under SEC Memorandum Circular No. 10 Series of 2019 on the Rules on Material Related Party Transactions for Publicly-Listed Companies or, any amendments thereto (the “Circular”).

**F. DUTIES OF THE BOARD OF DIRECTORS AND SENIOR MANAGEMENT**

If an actual or potential conflict of interest arises on the part of a Director or officer, he is mandated to fully and immediately disclose the same to the Corporate Secretary. For avoidance of doubt, loans or financial assistance to Directors or officers are prohibited, except when allowed pursuant to an established Company benefit or plan.

3. Directors shall disclose to the Board of Directors, through the Company’s Corporate Secretary, details of all their other directorships and any shareholdings owned by them or by members of their family, including any changes thereto.

4. Regardless of the amount of the transaction or contract, it is the responsibility of each Director and officer to:

8. The CCO shall advise and provide assistance to the CFO in ensuring that Material RPTs across the Aboitiz Group are reviewed and approved in accordance with this RPT Policy. The CCO shall also ensure that the Company complies with relevant rules and regulations, and is informed of regulatory developments in areas affecting Related Parties. Furthermore, the CCO shall ensure that this RPT Policy is kept updated and is properly implemented throughout the Company.

9. The Group Internal Audit shall conduct a periodic review of the effectiveness of the Company’s system and internal controls governing Material RPTs to ensure consistency with the policies and procedures approved by the Board of Directors. The results of the audit, including any exceptions or breaches in the materiality thresholds, shall be communicated directly to the Audit Committee.

G. WHISTLE-BLOWING MECHANISMS AND RESTITUTION OF LOSSES AND OTHER REMEDIES FOR ABUSIVE RPTS
