Not just another convention dinner...

Welcome the start of summer out on the private deck at Studio 3, and bask in the unrivalled views over the Yarra River and Melbourne's city skyline whilst sipping on a pre-dinner daiquirie or glass of champagne. This is your chance to unwind, socialise and rub shoulders with industry peers.

Before you kick up your heels on the dance floor with the live band, you can flex your music trivia muscles in our **Rockwiz** style show, hosted by our MC for the night Brian Nankervis. May the best team representative win!

Want to have access to the VIP Mezzanine bar and dinner area, then talk to the Convention Manager about becoming a platinum sponsor.

**Bring your partners,
work colleagues
and friends
along and get
ready to rock
your rollout.**

Brian Nankervis, MC
