

The Digital Technology Convention DAY 1 PROGRAM – Wednesday 28 November

TIME	DESCRIPTION		
8:20–9:00	Delegate Registration (Exhibition Viewing)		
9:00–9:10	Opening Address: EPIC Industry Training Board		
9:10–9:20	Official Opening : Grantly Mailes, Deputy Secretary, Innovation and Technology Division: Department of Business and Innovation, Victorian Government.		
9:20–9:50	Key Note Speaker: Promenade 1 The Digital Disconnect Speaker : Paul Budde, CEO BuddeComms		
9:50–10:20	Plenary Session 1: Promenade 1 NBN Infrastructure Planning and Design . The Who, What, Where and When of the NBN Rollout. Speaker : Gary McLaren, Chief Technology Officer, NBNGo		
10:20–10:50	Plenary Session 2: Promenade 1 IT Futures, Digital Literacy & The Digital Economy Speaker : Henry Louey, Australian & New Zealand Director, CompTIA		
10:50–11:20	Morning Tea: Promenade Exhibition Area		
11:20–12:05	Plenary Session 3: Promenade 1 The Impact of the Digital Economy on Small Business Speaker : Geoff Browne, Victorian Small Business Commissioner		
12:05–12:25	Plenary Session 4: Promenade 1 Productivity for Enterprises – Exploiting Very High Speed Broadband Speaker : John Vines, Chair of Innovation & Business Skills Australia (IBSA)		
12:25–12:55	Plenary Session 5: Promenade 1 Being NBN ready, a Local Government Perspective – Preparing for the NBN: Working with the NBN, Engaging the Local Community and Collaborating at a Regional Level. Speaker : Brad Wynter, Manager, Organisation Improvement, City of Whittlesea		
12:55–1:20	Plenary Session 6: Promenade 1 Non Compliance Products & industry standards – Data Comms & NBN Speaker : Gary Busbridge, Standardisation Manager Pacific Zone, Clipsal by Schneider Electric		
1:20–2:20	Lunch		
2:20–3:00	Panel Discussion: Promenade 1 Interactive and Lively Panel Discussion from Digital Technology Panel Speakers : Paul Budde, Gary Busbridge and Peter Strong		
3:00–3:30	Choose 1 of the Following Workshops to Attend <table border="0"> <tr> <td>Promenade 1 Hear from an Innovative Council who took Advantage of the NBN Rollout Speaker: Brad Wynter, City of Whittlesea</td> <td>Promenade 2 Digital Antenna Schemes Australian Digital Television Industry Association (ADTIA) Speaker: Dominic Schipano, National Executive Officer, Communications & Info Technology Training (CITT)</td> </tr> </table>	Promenade 1 Hear from an Innovative Council who took Advantage of the NBN Rollout Speaker : Brad Wynter, City of Whittlesea	Promenade 2 Digital Antenna Schemes Australian Digital Television Industry Association (ADTIA) Speaker : Dominic Schipano, National Executive Officer, Communications & Info Technology Training (CITT)
Promenade 1 Hear from an Innovative Council who took Advantage of the NBN Rollout Speaker : Brad Wynter, City of Whittlesea	Promenade 2 Digital Antenna Schemes Australian Digital Television Industry Association (ADTIA) Speaker : Dominic Schipano, National Executive Officer, Communications & Info Technology Training (CITT)		
3:30–4:00	Afternoon Tea		
4:00–4:30	Choose 1 of the Following Workshops to Attend <table border="0"> <tr> <td>Promenade 1 How will the NBN and Emerging Technologies Change My Business and How to Up Skill for the Future Speaker: Carl Holmes, Integracom</td> <td>Promenade 2 Digital Business Transformation & Digital Marketing Speaker: Charlie Crouch, Chisholm Institute</td> </tr> </table>	Promenade 1 How will the NBN and Emerging Technologies Change My Business and How to Up Skill for the Future Speaker : Carl Holmes, Integracom	Promenade 2 Digital Business Transformation & Digital Marketing Speaker : Charlie Crouch, Chisholm Institute
Promenade 1 How will the NBN and Emerging Technologies Change My Business and How to Up Skill for the Future Speaker : Carl Holmes, Integracom	Promenade 2 Digital Business Transformation & Digital Marketing Speaker : Charlie Crouch, Chisholm Institute		
4:30–6:00	Exhibition Time and Networking Drinks		

The Digital Technology Convention DAY 2 PROGRAM – Thurs 29 November

TIME	DESCRIPTION
8:30–9:15	Delegate Registration (Exhibition Viewing)
9:15–9:20	Opening address
9:20–9:50	Key Note Speaker: Promenade 1 International Perspective on Impact of Digital Convergence and Broadband on the Economy Speaker: Andrew Thomson, Director of Public Sector Strategy, Cisco Asia Pacific, Japan, and China
9:50–10:20	Plenary Session 1: Promenade 1 The Digital World – Building Futures for Small Business in the Digital Economy Speaker: Dr. Marcus Bowles, Deputy Director, Industry Training and Research, Uni. of Tasmania, (Digital Economy and Regional Futures Research)

12:20–12:50	Plenary Session 5: Promenade 1 Communications Reshaping Our Lives – Smart Grid and Smart Meters, Electric Vehicle Charging, Research and Development. Speaker: Yochai Glick, Principal Architect, Utilities, Ericsson
12:50–2:10	Lunch
2:10–2:55	Panel discussion: Promenade 1 The Digital Economy and Business Transformation. How can Smart Technologies Increase Business Productivity? What does a Smart Business look like? Speakers: Paul Budde, Andrew Thomson and Yochai Glick
2:55–3:25	Choose 1 of the Following Workshops to Attend Promenade 1 Digital Convergence and the Printing Industry Speakers: Dominic Schipano, National Executive Officer, Communications & Information Technology Training (CITT) and Brett Maishman, Senior Account Executive, Fujii Xerox Promenade 2 Shaping the next generation for a digital workforce Speakers: Henry Louey, CompTIA and Emma Broadbent, CISCO
3:25–3:55	Afternoon Tea
3:55–4:25	Choose 1 of the Following Workshops to Attend Promenade 1 Where I.C.T. and Electrical Collide Speaker: Stuart Norman, Manager of Environment and Sustainability Programs, NECA Promenade 2 Special INVITE ONLY Workshop: IT&T Executive Senate meeting Promenade 3 Tips and Hints for Getting the Best out of ICT Women Speaker: Jeanette Wirt, Victorian Women in ICT
6:00–11:00	Gala Dinner, Studio 3 – ROCKWIZ Theme

The Renewable Edge Expo

DAY 3 PROGRAM – Friday 30 November

TIME	DESCRIPTION
8:00–8:45	Delegate Registration (Exhibition Viewing)
8:45–9:00	Welcome: EPIC ITB
9:00–9:30	Opening address: Understanding the Myths and Misconceptions about the Sustainability and Renewable Energy Industries Speaker: Glen Morris, Vice President of the Australian Solar Council
9:30–10:00	Panel Session: Technology and Gadgets Speakers: David Tolliday; Electrical & Information Technology, Holmesglen TAFE
10:00–10:20	Presentation: Energy Efficiency Speaker: Stuart Norman, Manager of Environment and Sustainability Programs, NECA
10:20–10:40	Presentation: Industry Champion Speaker: Paul Tobin, Managing Director of Laser Electrical Derrimut and Laverton North
10:40–11:00	Panel Session: Industry Trends Speakers: Glen Morris, Australian Solar Council and Craig Memery, Alternative Technology Association
11:00–11:30	Exhibition Viewing Time

The Sustainable, Renewable & Energy Efficiency Convention

DAY 3 PROGRAM – Friday 30 November

TIME	DESCRIPTION			
12:30–1:00	Delegate Registration (Exhibition Viewing)			
1:00–1:05	Welcome: EPIC and Short Video			
1:05–1:25	Key Note Speaker: Promenade 1 Sustainable Community and Intro to Initiatives Project Speaker: Bruce Thompson, Director, Major Projects, Moreland Energy Foundation			
1:25–1:40	Plenary Session 1: Promenade 1 Sustainable Community Project – Yarra Project Zero Speaker: Alex Fearnside, CEO, Yarra Energy Foundation			
1:40–2:00	Plenary Session 2: Promenade 1 Sustainable Community and Initiatives – Future Proofing Project Speakers: Vicky Grosser, Carbon Manager and Future Proofing Officer, City of Greater Geelong and Tim Gooden, Secretary of the Geelong Trades Hall and member of the Future Proofing Geelong Advisory Board			
2:00–2:30	Plenary Session 3: Promenade 1 Telstra's Energy Efficiency Program Speaker: John Ramano, Director Telstra			
2:30–3:00	Afternoon Tea (Exhibition Area)			
3:00–3:45	Plenary Session 4: Promenade 1 Expert Panel on Sustainable and Renewable Technology and Trends Speakers: Glen Morris, Australian Solar Council, Craig Memery, Energy Policy and Projects, Alternative Technology Association and Neil Fraser, Executive Manager Electrical Installations, Licensing and Equipment Safety, Energy Safe Victoria (ESV)			
3:45–4:15	Choose 1 of the Following Workshops to Attend <table><tbody><tr><td>Promenade 1 The Future Energy Market – How and Why Smart Grid and Smart Meters Will Shape it, Why you Need to Prepare for it. Speaker: Yochai Glick, Principal Architect, Utilities, Ericsson</td><td>Promenade 2 Energy Efficiency at Work Speaker: Stuart Norman, Manager of Environment and Sustainability Programs, NECA</td></tr></tbody></table>	Promenade 1 The Future Energy Market – How and Why Smart Grid and Smart Meters Will Shape it, Why you Need to Prepare for it. Speaker: Yochai Glick, Principal Architect, Utilities, Ericsson	Promenade 2 Energy Efficiency at Work Speaker: Stuart Norman, Manager of Environment and Sustainability Programs, NECA
