Ever since Biryani By Kilo (BBK), started delivery across Pune — from Wakad, Kharadi, Baner and Wanowrie outlets — around a year back, it has received lots of love and accolades from Pune’s food connoisseurs.

BBK has 40+ outlets in Delhi NCR, Punjab, Lucknow, Kanpur, Jaipur, Dehradun, Bhopal, Indore, Patna, Raipur, Mumbai, Pune, Bhubaneswar and Kolkata making it one of the most loved biryani and kebab delivery chain.

“BBK has distinctly served Hyderabad, Kolkata and Lucknow biryanis cooked in the traditional way to more than 7,50,000 satisfied customers so far. Customers would demand absolute safety and hygiene and even better value and service from food delivery in post-Covid times. BBK has taken extra hygiene measures like sanitising the kitchen every hour, screening employees temperature every day and uploading it on BBK website, sanitising delivery bags after every order, delivering fresh dum cooked biryani handis, which are opened by customers only in tamper proof sealed bags with contactless delivery. BBK has put extra safety and hygiene measures on their website under the safety standards tab,” says Vishal Jindal, co-founder and director, BBK.

Jindal further adds, “BBK’s USP is to make fresh handi biryani for every individual order, and deliver the same handi to customer in which biryani is dum cooked keeping it fresh, delicious and safe. This not only ensures safety and hygiene, but also freshness and great flavours, besides also being eco-friendly.”

As per FDA guidelines, cooked food has little or no evidence that it can transmit Covid-19, especially if customer is ordering from

reputed food delivery chains who are taking right safety precautions. Also, customers can choose to reheat or microwave their delivered food in their own vessels to further ensure that there is no viral contamination.

“BBK is doing their best during this pandemic by giving out lots of daily complimentary meals to the needy in different cities. Anyone can contribute to this noble cause by donating any amount to help the needy. For more details, kindly visit BBK cares on our website,” he adds.

BBK has their loyalty program for online customers where they give their coveted Phirni Tohfa on every order along with exciting cashbacks/discounts. BBK takes orders on their website, app or through call centre. BBK insists to pre-book the orders or they will deliver in around 60 minutes as each biryani is cooked fresh for every individual order.

“For vegetarians, BBK offers dishes like Paneer Nawabi, Paneer 65; Veg, Kathal, Paneer Biryani; Veg

Galouti and Burani Raita, all of which are from Nizami tradition. Besides their signature Phirni, they also have Gulab Jamun with Rabdi. BBK’s Mutton Galotis, Chicken 65, Chicken Korma and Mutton Nihari are very popular,” says Jindal.

BBK has also launched packages for five to 20 people get-togethers to celebrate special occasions at home. BBK launched their takeaway

In a recent interview, actor Thandie Newton has revealed that she was surprised by the support she garnered after speaking out on her encounters in Hollywood.

In an interview with Vulture in July, the actor said she was “scared” of Tom Cruise while the pair were working together on Mission: Impossible 2 (2000) and called him “a very dominant individual”.

The Westworld star had said: “He tries super hard to be a nice person. But the pressure. He takes on a lot. And I think he has this sense that only he can do everything

as best as it can be done.” Newton went on to recall a specific situation while filming when Cruise was dissatisfied with her performance in a scene. She recounted: “Tom was not happy with what I was doing because I had the shittiest lines.” She said, that after suggesting to rehearse the scene by saying each other’s lines, they realised “it wasn’t going well” and the actors “got frustrated with each other.”

Newton had also claimed that film producer and former Sony Pictures head Amy Pascal was the reason she quit Charlie’s Angels.
