

VENUE

Connected to excitement.

The Hyundai Venue has been designed to perfectly suit your trendy personality and on-the-move urban lifestyle. Create new experiences and stay ahead of the crowd with the stunning new sport trim. The Venue is equipped with India's first Intelligent Manual Transmission (IMT) to give an unparalleled driving experience with smooth transitions and ensures that the power is in your hands so that every journey you take, is filled with excitement.

A real stunner.

Designed to turn heads, the Venue is sure to become your identity in no time. It is specially made for individuals yearning to break away from the league and be different. The flamboyance of the new sport trim will add a dash of trendiness to your personality so that you can go ahead and soar above the rest.

^Applicable for customers having Blue Link variant.

IRVM with Blue Link

Blue Link - your connected friend on the go.

Blue Link is a personal mobility assistant, which works proactively for your safety, convenience and security. It comes with a responsive and dynamic telematics platform that acts as a communication channel between you and your car. It's a voice-response AI enabled technology, with GPS and Blue Link Connect Centre, which helps you build a special bond with your car.

Remote engine start/stop**

Push maps by Blue Link Connect Centre

Interactive voice recognition

Remote climate control (A/C) with engine start**
