A global group

For over 115 years, Renault has written and rewritten the automobile story, adding an interesting chapter every time. And thought-through many revolutionary firsts. The Gearbox. The Sedan. The Turbocharger. The Hatchback. The MPV. Inventions that didn't just change the way the world travelled, but also changed the way the world looked at automobiles.

For more than 30 years, Renault has been pushing the limits of motor sports and technology. The 2012 Formula One season witnessed Renault winning its 11th Constructor's Championship. By powering Red Bull Racing to victory for two consecutive years, Renault created a buzz even on the Indian Formula One circuit.

Now, with five classy and stylish cars in its portfolio, Renault is here to change the way India drives. A fact that's reinforced by its growing dealer network and increasing customer base. In just a short while since its launch in India, Renault has driven its way into every Indian car enthusiasts' heart. Awarded the 2013 Manufacturer of the Year, and arguably the most awarded brand ever in a year, Renault now commands a compelling position in the industry, ensuring its legacy of excellence as well as vision for change on Indian roads.

Renault won the Manufacturer of the Year at the NDTV Car and Bike Awards, 2013.

THE RENAULT SCALA. IT'S TIME TO STEP UP.

Mere words cannot describe the new Renault Scala. It is imposing and graceful, yet energetic and dynamic. It is spacious and majestic, yet suave and sophisticated. While the design makes it a head turner on the roads, its chic interiors leave you delighted. The Renault Scala is leagues ahead in comfort as well, with premium leather upholstery, best-in-class cabin space and powerful cooling. Take it for a spin and you will discover the power it conceals under the hood. The new Renault Scala. An experience unlike any other.

ELEGANT DESIGN

The design of the new Renault Scala is a perfect blend of sophistication and dynamism. The bold attitude of the front, with a two-tone sporty front bumper, chrome finished radiator grille and smoked-styled headlamps make the vehicle domineering and dynamic. The rear signature tail lamp with the connecting wide chrome strip, coupled with its clean uncluttered lines, gives the Renault Scala a stance of stability and premiumness. With its long proportion, soft and sweeping silhouette, the vehicle projects an image of energy and elegance. Step into the new Renault Scala. Step up in life.

1. CHROME FINISHED RADIATOR GRILLE

The wide chrome radiator grille that comes with a big bold Renault Logo makes the Renault Scala look sophisticated and premium.

3. SPORTY ALLOY WHEELS

The sporty alloy wheels that are tested to withstand Indian driving conditions also add to the car's stability and style.

2. DUAL TONE FRONT AND REAR BUMPER

Like the two tone bumper, the integrated air dam of the Renault Scala adds dynamism, sportiness and modernity.

4. CHROME WINDOW BASE LINING

The chrome finish adds to the style of the Renault Scala, making it a stunner on the roads.

6. CHROME DOOR HANDLES

The exterior door handles come with a chrome finish for a classy and stylish look.

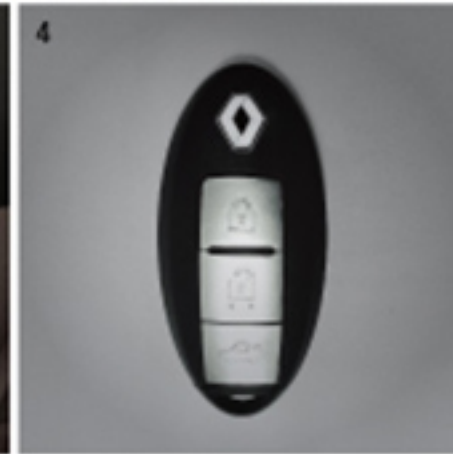

5. SMOKED-STYLED HEADLAMPS

The smoked-styled headlamps not only provide a clear view, but better visibility at night. In addition, they also add to the design character of the car, giving it a modern, youthful and energetic feel.

The image shows the interior of a Renault Scala car. The seats are upholstered in beige leather with a textured pattern. The dashboard and steering wheel are dark grey. The car has a spacious and comfortable interior.

LUXURY & COMFORT

The Renault Scala is the perfect blend of luxury and comfort. While the best-in-class spaciousness of the cabin and climate controlled AC provide comfort, the stylish interiors coupled with beige coloured premium leather upholstery add to the luxury. And a whole host of dynamic features make the new Renault Scala the envy of other cars in its class. Step up on comfort.

1. PREMIUM LEATHER UPHOLSTERY

The plush beige interior, made from premium leather, is meticulously crafted to please the eye and soothe the senses.

3. AUTOMATIC CLIMATE CONTROL WITH AIR QUALITY FILTER

Set your ideal cabin temperature with automatic climate control air conditioning and enjoy your ride.

5. ENGINE START/STOP WITH ILLUMINATED PUSH BUTTON

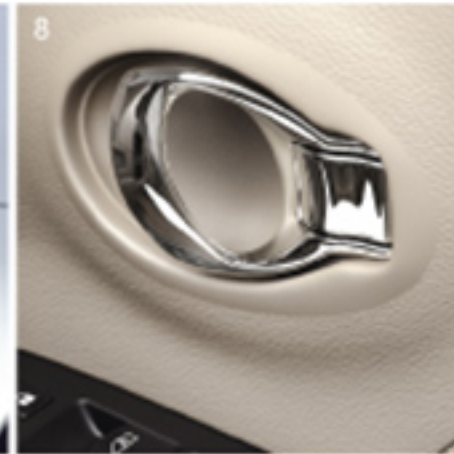

This advanced feature allows you to start and stop the engine at the push of a button.

2. TILT ADJUSTABLE ELECTRIC POWER STEERING

Drive with ease and comfort, as you can adjust your driving position with the tilt adjustable power steering.

4. MULTI-FUNCTIONAL SMART KEY

With this Smart Key fob in your pocket, you can lock or unlock the door by touching the request switch on the door handles and also access the trunk with its electric touch.

6. ELECTRIC BOOT OPENING

The Smart Key comes with a trunk release function that saves time and provides complete security. The 490 litre trunk provides ample space for long travel.

8. CHROME PLATED INSIDE DOOR HANDLES

The chrome finish on the inside door handles adds to the premium feel of the interiors of the car.

10. FRONT CUP HOLDERS ON CONSOLE

Perfectly sized beverage holders for those who are always on the go.

7. FOLLOW ME HOME HEADLAMPS

The Follow Me Home Headlamps stay on for a certain period of time to light up the walkway, even after parking, making sure your exit is a smooth one.

9. HEIGHT ADJUSTABLE DRIVER SEAT

This ensures you have the most enjoyable driving experience, as you can adjust the driver's seat to your comfort and convenience.

ADVANCED PERFORMANCE

The advanced performance of the Renault Scala makes the car a real pleasure to drive. Thanks to its best-in-class powertrain and excellent fuel efficiency, tackling heavy city traffic or cruising on the highway seems like a breeze in the Renault Scala. The Multi-Information Display gives you all vital information at one glance and the superior suspension offers a memorable driving experience. So all you need to do is sit back and enjoy the ride. Step up on performance.

X-TRONIC CVT

Engine Power	101 PS
Fuel Economy	17.97 kmpl*

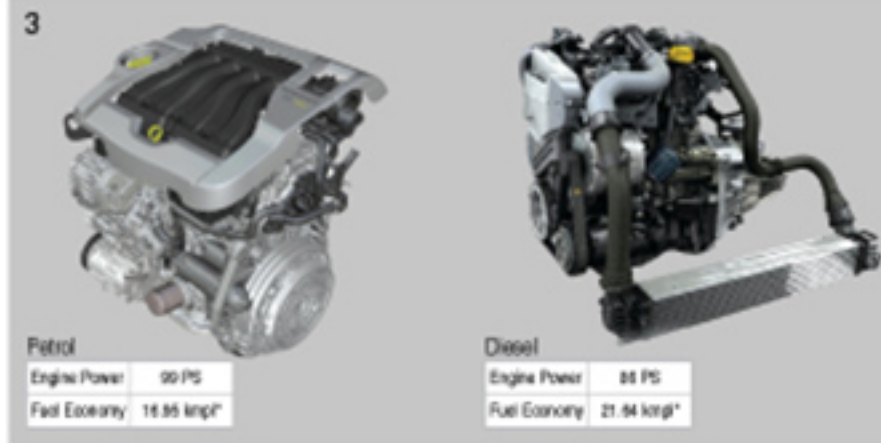

1. X-TRONIC CVT

A Continuously Variable Transmission, X-TRONIC is next level technology that addresses the most important customer requirements – Performance, Comfort and Savings.

- X-TRONIC is highly responsive on starts and at low speeds resulting in optimum performance through city traffic
- Experience smooth driving as X-TRONIC helps avoid shift shocks and maintains optimum torque for any given power demand
- X-TRONIC's revolutionary technology delivers the best-in-class mileage of 17.97 kmpl resulting in huge savings

2. TURNING RADIUS

An incredible turning radius of 5.3 m offers easy manoeuvring and adds to the joy of driving.

Engine Power	99 PS
Fuel Economy	16.95 kmpl*

Engine Power	86 PS
Fuel Economy	21.64 kmpl*

3. POWERTRAIN

The petrol car houses a 1.5L, top class powertrain that generates 99 PS and offers a mileage of 16.95 kmpl. The world-class Renault K9K, 1.5L diesel engine generates 86 PS of power and offers class leading mileage of 21.64 kmpl.

5. SUPERIOR SUSPENSION

The MacPherson Strut with Torsion Bar suspension offers top-class riding quality and driving experience.

* Mileage as per ARAI Certification.

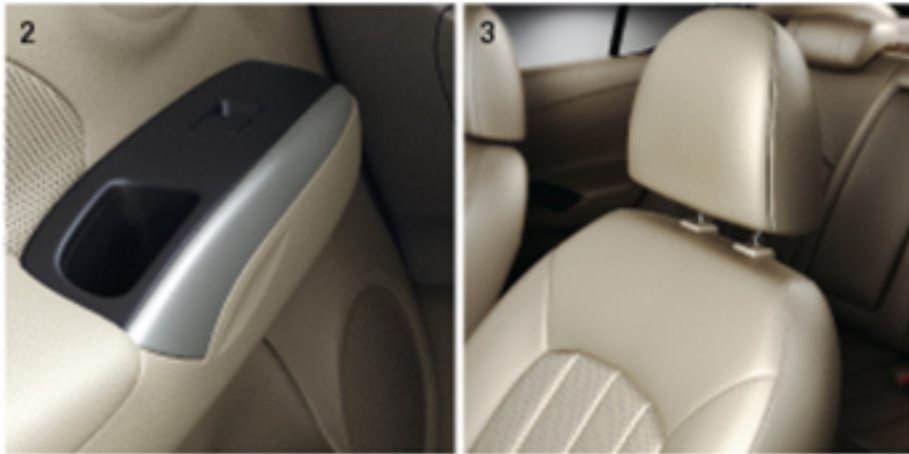

4. MULTI-INFORMATION DISPLAY

All the information needed to make your drive a smooth one is right in front of you. Be it outside temperature display, cruising range, fuel consumption, average and instantaneous speed, programmed service reminder; it's all there. Clear, at-a-glance readability is provided by the large and bright lettering of the meters.

UNMATCHED SAFETY

The Renault Scala is not just sleek, stylish and luxurious. It is also a promise of active and passive safety for you and your family. Every feature has been carefully thought-out to ensure your drive is absolutely safe. Safety is further reinforced by driver and front passenger airbags. The standard Anti-Lock Braking System (ABS) with Electronic Brake force Distribution (EBD), gives you complete control during emergency braking. Step up on safety.

1. DUAL FRONT AIRBAGS

The dual front airbags reduce the risk of fatal injuries to the driver and the passenger in the event of a frontal collision.

3. FRONT AND REAR ADJUSTABLE HEAD RESTRAINTS

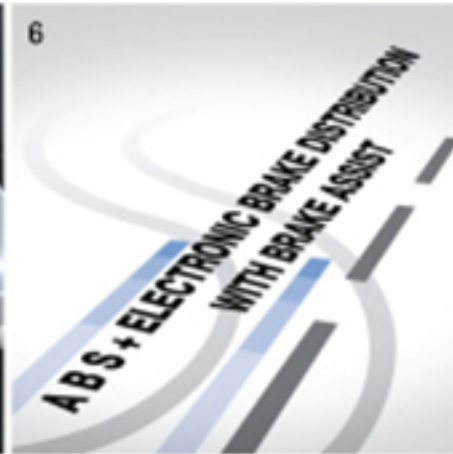

The height adjustable front and rear head restraints provide maximum comfort and also act as a safety feature to prevent whiplash injury.

2. SPEED SENSING AUTO DOOR LOCK

The Renault Scala comes with Speed Sensing Auto Door Lock which keeps you and your family secure.

4. ANTI-PINCH POWER WINDOW

On the driver side, one touch up and down, anti-pinch function protects you from injury if your arm is resting on the window seam.

5. FRONT FOG LAMPS

This makes driving safe in bad weather. It helps improve visibility in foggy or rainy conditions, while maintaining the stylish look of the car.

7. REAR WINDOW DEFROSTER WITH TIMER

It helps clear the fog on the rear window, so that your vision always stays clear. The auto cut-off timer ensures effective usage of the defroster.

6. ABS WITH EBD AND BRAKE ASSIST

ABS combined with EBD and Brake Assist helps the driver control the vehicle in the event of an emergency braking situation.

8. ANTI-THEFT DEVICE WITH ALARM

The anti-theft device with alarm is a handy feature that protects the car from unwanted entry.

DIFFERENT BODY. SAME HEART.

A legacy that is scarcely rivalled, Renault's RS27 engine has powered many a Formula One wins. And now, Renault unleashes its power on Indian roads. Under the hood of every Scala lies the same technology that powers Formula One cars, guaranteeing you an incredible performance and a great drive.

We believe peace of mind goes a long way in improving driving pleasure. That's why, all our cars are backed by a firm promise and commitment to provide you with support, convenience and expertise if you ever need it.

Welcome to Renault's world-class quality and unmatched customer satisfaction. Welcome to Renault Complete Care.

BEST-IN-CLASS WARRANTY
