STATEMENT ON ALLEGATIONS OF SEXUAL HARASSMENT

We would like to address an email currently in circulation that alleges sexual harassment at BFM89.9.

We are committed to providing a safe environment in which all members of our community can work without fear and threat of sexual harassment.

At this juncture, we are unable to confirm any of the situations described.

We take all allegations of sexual harassment and misconduct seriously. Internal investigations are initiated whenever an allegation is made. Our practice has been to offer employees discretion and fairness, and we take action when we learn of unacceptable behavior.

As an added precaution, we are reviewing our reporting mechanisms to ensure continued access to safe channels for these serious matters to be escalated and dealt with. And we continue to look for ways to improve our workplace to support and protect any member who comes forward with information or allegations about misconduct.
