1. This petition has been filed by the Petitioner Company under Sections 230 to 232 of the Companies Act, 2013 read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and the National Company Law Tribunal Rules, 2016, for the purpose of the approval of the Scheme of Arrangement. The copy of the Scheme has been placed on record. The Scheme provides for:

Creditors was filed before this Bench and based on such application moved under Sections 230-232 of the Companies Act, 2013, this Tribunal vide its order dated 23.05.2018 issued directions with respect to convening the meetings creditors/ shareholders of the company. The Petitioner was directed to carry out publication in the newspapers English Daily 'Indian Express' (Delhi edition) as well as in Hindi Daily 'Jansatta' (Delhi edition). In addition thereto notices were directed to be served on the Regional Director (Northern Region), Registrar of Companies, NCT of Delhi and Haryana, the Income Tax Department and to the other relevant sectoral regulators.

3. It is seen from the records that the Petitioner has filed an affidavit affirming compliance of the order passed by the Tribunal. It further discloses that the petitioner has effected the newspaper publication as directed in English Daily 'Indian Express' (Delhi Edition) as well as in Hindi Daily 'Jansatta' (Delhi Edition) on 10.10.2018 in relation to the date of hearing of the petition. Further, the affidavit also discloses that copies of petition were duly served on the Registrar of Companies, Regional Director, Northern Region and Income Tax Department in compliance of the order and in proof of the same acknowledgement, by the respective offices have also been placed on record.

4. It is pertinent to mention that the Transferee Company, received a letter dated 24.07.2018 from an unsecured creditor namely, S2 Infotech International Limited ('Creditor Objector') raising certain disputed claims against the Transferee Company. The creditor objector has an outstanding debt of Rs. 29,19,251 out of total outstanding debt of the Transferee Company amounting to Rs. 244,254 million. It was submitted that the creditor objector constitutes much less than 5% of the total outstanding debt of Transferee Company as on 31.03.2018 and as such, in terms of proviso to Section 230(4) of the Companies Act, 2013, he does not have the requisite locus to object to the Scheme. According to the proviso any objection could be made by persons having outstanding debt amounting to not less than 5% of total outstanding debt as per the latest audited financial statement.

5. Learned Counsel for the Petitioner Company states that one shareholder of the Petitioner Company, Mr. Mukesh Mohan Chandiramani (Objector) has vide his letter dated 18.10.2018 raised certain frivolous objections. The Petitioner Company has filed an Affidavit dated 06.11.2018 in reply dealing with the said objections of the Objector. The Counsel for the Petitioner Company further states that the Objector holds only 9 shares in the Petitioner Company constituting 0.000000460% of the total shareholding of the Petitioner Company which does not meet the

mandatory minimum threshold of 5% prescribed under proviso to Section 230 (4) of the 2013 Act, to raise an objection by a shareholder and on this ground of having no locus, the objection raised by the Objector deserves to be dismissed. Thus, as the Objector does not meet the mandatory minimum threshold prescribed by 2013 Act for a shareholder to raise objection to a Scheme, the objection of the Objector is dismissed as not maintainable.

6. The Regional Director has filed its representation dated 19.11.2018 and raised no objection to the approval of the Scheme.
7. The department of Income Tax has also given their no-objection to the Scheme as well. Its pertinent to mention that nevertheless, the transferee company has unequivocally undertaken to meet the tax liabilities of the Demerged Undertaking with effect from the effective date, in accordance with law.
8. It is seen that the DoT in its letter dated June 18, 2018 has made the following observations:
