## About this Webcast:

Board diversity has been a topic of growing interest within companies today. The strive for board diversity aims to cultivate a broad spectrum of demographic, attributes and characteristics in the boardroom, and factors such as age, race, gender, educational background and professional qualifications of the directors can bring a broad and deep range of insights and knowledge. A diverse board also helps sharpen competitiveness, and identify potential risks and opportunities in a fast-changing business world.

This webcast welcomes two guest speakers well-known for their push toward greater gender diversity in particular on boards in Malaysian companies. The full 40-minute webcast is conducted in a Q & A format.
