

Confederation of
All India Traders

Delhi Declaration

A RESOLUTION DOCUMENT

We, CONFEDERATION OF ALL INDIA TRADERS (CAIT), solemnly resolve at NATIONAL CONVENTION – LESS CASH INDIA SUMMIT held at CONSTITUTION CLUB, NEW DELHI on DECEMBER 2 & 3, 2016 to support the ongoing movement of making India “Less-Cash” by adopting digital payments. We also resolve to commit to Shri Narendra Modi’s vision of a Digital and Financially Included India by contributing to it to the best of our ability. As respectable members of our community and representatives of the non-corporate business sector,

We reaffirm our faith in Confederation of All India Traders and Alliance for Digital Bharat and its Charter as indispensable foundations of a more prosperous, secure and harmonious India

We assume a collective responsibility to advance and strengthen India’s financial ecosystem at technological, regional and State levels

We promise to further Honourable Prime Minister’s vision of “Less Cash India” and participate in growing acceptance of digital payments. Further we call upon all related stakeholders including banks, NBFCs, MFIs, Trusts, and Societies to drive penetration of digital technologies

We resolve to push forward the “Ten Point Plan” outlined in the CAIT Less Cash Manifesto to all stakeholders to combine efforts and resources in the drive toward digitization that creates an opportunity for financial inclusion for every man, woman and child in India.

We applaud Honourable Prime Minister for MUDRA Yojana and that it is one of the landmark achievements by any government post-independence

We fully embrace and commit to promote GST as a simplified and rationalised technology based taxation system for last mile inclusion

As honorary representatives of the non-corporate small businesses sector in India, we resolve to embark upon a national campaign to increase awareness of modern means of doing business down the line

For us to be able to achieve all of the above in time bound manner, we propose a task force is setup, constituents of which include government, banks, NBFCs, MFIs, and technology solution providers
