Title: Maestrano Named a "Cool Vendor" by Gartner

Subtitle: Vendors selected for the "Cool Vendor" report are innovative, impactful and intriguing

Sydney, Australia, 1 June 2016: Maestrano, a leading provider of integrated Cloud solutions, today announced it has been included in the list of "Cool Vendors" in the **Cool Vendors in Pervasive Integration, 2016** report by Gartner, Inc.

"We are delighted to receive recognition from Gartner, the most prestigious and thorough technology research company in the world" said Stephane Ibos, CEO of Maestrano. "Our platform is revolutionising the way small businesses utilise and benefit from Cloud technology. Multiple awards and recognition, together with our growth from start-up to global company in three years, indicate that Maestrano is on the right path".
