ON 30TH OF JULY 2024
AT THE OLCOTT HALL ANANDA COLLEGE
FROM 2.00PM ONWARDS

Photographic Art Society
ANANDA COLLEGE COLOMBO 10

Message from the PRINCIPAL

D.M.L.P. DISSANAYAKA
Principal
Ananda College

I am very much delighted to release this brief message for the Souvenir published in parallel to the annual photographic day, Pilibimbu'24 one of the most looked forward event of the college.

The college photographic society serves as an exceptional bridge between the co-curricular and extra-curricular activities of the college. The Photographic Art Society of Ananda deserves commendation for their tireless efforts in covering all the ventures of Ananda College throughout the year.

Photography allows one to capture the world around them with the press of a shutter from a scientific perspective. I firmly believe that a venture of this nature will undoubtedly encourage and enhance the abilities of young photographers of Ananda extensively.

In conclusion, I extend my heartfelt appreciation to the Photographic Art Society for their invaluable contributions in the realm of photography. I would like to extend my gratitude towards the Teacher-In-Charge, the organizing Committee, Sponsors and stakeholders for their dedication and commitment taken in order to make this venture a success.

May the Blessings of Mother Ananda be with you.

It is with immense pleasure that I pen down this brief message for the souvenir released in parallel to PILIBIMBU'24

PILIBIMBU has grown to be a highly anticipated event at Ananda College, showcasing the remarkable talents and artistic vision of our students. PILIBIMBU'24 presents a wonderful opportunity for you to showcase your creativity, express your unique perspectives, and share your stories through the medium of photography. I am immensely proud of each and every one of you for your dedication, passion, and commitment to honing your skills in the field of photography.

I would like to extend my gratitude to the Principal, Deputy Principals, Academic staff, and administration for their continuous support and guidance of our endeavors. Their encouragement and guidance has played a significant role in nurturing the creative spirit and to have this event with all its grandeur.

would also like to express my heartfelt appreciation to all the Board of officials and members of the Photographic Art Society for their enthusiasm and efforts in organizing PILIBIMBU 24. Your dedication and teamwork have been truly commendable, and I am grateful for the way you have embraced the responsibilities associated with this event.

I wish you all a memorable and successful PILIBIMBU 24.

Message from the PRESIDENT

Sanithu Nandila
Photographic Art Society
Ananda College

Photography is a skill rooted in perception, an art that involves discovering the extraordinary in the mundane. It's less about what is seen and more about how it is seen. "PILIBIMBU 2024" honors this transformative view, encouraging us to embrace dreams brought to life through passion.

For 78 years, the Photographic Art Society of Ananda College has nurtured this passion, establishing a rich legacy. PILIBIMBU 2024 represents another opportunity for school-based photography to advance, a venue where enthusiasm and competition converge.

The triumph of PILIBIMBU 2024 is attributed to its creativity and influence, the excitement and fervor it stirs. The accomplishments of "ACPAS" are a result of the dedication and expertise of the administration, academic staff, and the talented members of this distinguished club, who have excelled in planning and executing this extraordinary journey.

I sincerely thank everyone for attending this eagerly awaited event and hope you enjoy the proceedings of the day.

May Mother Ananda's blessings be with you all!

“Taking pictures is savoring life intensely, every hundredth of a second.”

It is with immense joy that I pen this note on the triumphant occasion of PILIBIMBU 2024, celebrating the art of photography that so profoundly expresses our emotions.

As dedicated members of the Photographic Art Society of our alma mater, we united a diverse group of students from across the island, each showcasing the humanity of different areas through their lenses. Together, we have redefined humanity through the eye of the camera.

The path to making this event a success was both demanding and rewarding. This event would not have been possible without the backing of our well-wishers and the participation of students from across the country.

I am deeply grateful to the principal, teachers, and students of our school for their unwavering support and encouragement. I also extend my heartfelt thanks to our parents.

May Mother Ananda's blessings be with you all!

Message from the TREASURER

Thenuk Sandeepa
Treasurer
Photographic Art Society
Ananda College

It is an honor and privilege to write a few words for the “PILIBIMBU’ 24” souvenir.

The Ananda College Photographic Art Society, with a history spanning over seven decades, has always been one of the most active societies in our school. Its distinguishing feature is the invaluable service it provides through photography, establishing itself as the leader in school-based photography.

To carry on this proud tradition, we organized “PILIBIMBU’ 24,” the annual photographic competition and exhibition by the Ananda College Photographic Art Society. This event highlighted the dedication and talent of our members, showcasing the essence of our rich history.

As the treasurer of this society, my primary duty was to maintain its financial stability throughout the project. The insights and experience I gained in this role were invaluable, and I am deeply thankful to all the members who supported me in fulfilling my responsibilities.

Finally, I would like to express my sincere gratitude to everyone who played a part in making this event come true.

May Mother Ananda’s blessings be with you all!

As the secretary overseeing the exhibition for the Photographic Art Society of Ananda College, it brings me immense pleasure to address the occasion of “PILIBIMBU 2024,” the premier school-based photographic competition and event.

In many developed countries, photography has gained recognition as a fine art discipline. I am proud of our fellow Anandians for their persistent efforts in promoting art photography as a vital extracurricular pursuit in Sri Lanka. The Photographic Art Society of Ananda College has been instrumental in nurturing our passion for photography and instilling in us the values of teamwork and experiential learning.

“PILIBIMBU 2024” is poised to elevate the standards of school-based photographic competitions and foster the development of future distinguished photographers.

I extend my sincere gratitude to the principal, the dedicated teachers, and my fellow Pilibimbu team for their outstanding commitment in ensuring the success of this event.
