Principal
Ananda College

Message from the **PRINCIPAL**

I am very much delighted to release this brief communique to the souvenir published in light of "PILIBIMBU'22" the photography day of Ananda College.

It is indeed a great pleasure to see an organization that claims a history of nearly seventy-seven years, continuing its legacy opening arenas to young generations to expose their aesthetic faculties to share with their fellowmen.

Photography is an esthetic field that goes abreast with modern technology. Therefore, this venture provides young students to deal with both areas with an esthetic mind to be sensitive and understanding citizens.

In my conclusion, I would like to extend my gratitude towards the Teacher-in-Charge, the Organizing Committee, Sponsors and stakeholders for their dedication and commitment taken in order to make this venture a reality and a success.

May the Blessing of Mother Ananda with you!

Message from the **CO-ORDINATOR OF CLUBS & ASSOCIATIONS**

It is with immense pleasure that I pen down this brief message for the souvenir released in parallel to PILIBIMBU 2022.

Photography allows one to capture the world around them with the press of a shutter from a scientific perspective. I can assure that a venture of this nature will undoubtedly encourage and enhance the abilities of budding photographers of Ananda extensively.

The Photographic Art Society of Ananda College has been a pioneer in moulding talented young photographers who excel in this particular field in Sri Lanka.

I would take this opportunity to convey my heartfelt gratitude to the Principal, Deputy Principals for their constant guidance given to make this event a great success and for providing chances to have this event with all its grandeur.

I also would like to extend my special thanks to the members of the Photographic Art Society for their noteworthy discipline and unstinted dedication made in relation to the success of this event.

In conclusion, I wish to also remember here with gratitude to the old Anandians for the wonderful support, dedication and commitment extended towards us in making this event a reality.

Message from the **PRESIDENT**

Photography is an art of observation. It's about finding something interesting in an ordinary place, having a little to do with the things you see and everything to do with the way you see then. "PILIBIMBU 2022" is a celebration of this transition. Where we are made to embrace dreams which are envisioned with passion.

The Photographic Art Society of Ananda College, has ignited its passion for the past 77 years in order to shine and has undoubtedly proven in creating its legacy thus far. PILIBIMBU 2022 would be another platform where school based photography will experience a new dimension. A stage where passion and competition come in tie.

The success of PILIBIMBU 2022 had a lot to do with the innovation and impact, the excitement and hype, the reason "ACPAS" takes great initials, the lessons lent and experience gained are all thanks to the Administration, Academic staff, well talented members of this prestigious club, who have been absolute phenomenal in the organizing and execution the glorious journey created thus far.

I wish and thank everyone in gracing the most anticipated event of all time and hope you enjoy the day's proceedings.

May the blessings of Mother Ananda be with you!

Anuda Jayasundara
President

Message from the **SECRETARY**

"There is a thing that a photograph must contain, the humanity of the moment"

Photography indeed an art of expressing one's emotions and it is pleasure that i make this note on this victorious juncture of PILIBIMBU 2022.

We, as the members of the photographic art society of our alma matar, we were able to bring together an island wide group of students who touched upon the humanity of a variety of areas through photography.

Making this event a great success was a challenging yet joyful journey.

I extend my sincere gratitude to the principal, teachers and students of our school for their immens support and encouraging geatures.

Last but not least i extend my heartfelt appreciation to our parents.

This event would not have become a reality if not for the support given by our well wishes and the students who participated across the country.

We redefine the humanity to the third eye.

Message from the **TREASURER**

I feel honoured and privileged to pen down these few words for the souvenir of "PILIBIMBU' 22.

Ananda College Photographic Art Society has been one of the most active societies in the school for the best decades.

What , makes it stand out from the other clubs and societies is the service that it renders to the school through photography. Ananda College Photographic Art Society, with a rich history which spans out over 7 decades, has been the leader of school based photography. Carrying on this proud tradition, we organized "PILIBIMBU' 22 which is the annual photographic competition and exhibition organized by the Ananda College Photographic Art Society.

My responsibility was to ensure the financial stability of the society throughout this project. The experience I gained by working as the treasurer of this society was invaluable and I'm grateful to all the members who assisted me to accomplish my tasks.

Finally, I would like to extend my gratitude to all those who contributed to make this dream event a reality.

Message from the **EXEBHITION SECRETARY**

As the secretary in charge of the exhibition of photographic art society of Ananda College, it's a great pleasure to issue a message for the biggest school based photographic competition and the day "PILIBIMBU 2022"

Now a days photography is a fine art subject in most of the developed countries. As a developing country I should appreciate fellow Anandians' ever lasting contribution to make art photography more popular as an extra-curricular activity in Sri Lanka. Photographic Art Society of Ananda College has guided and motivate us to learn the uttermost of photography and taught us not to archive great experience but also to work as a team.

PILIBIMBU 2022 would definitely take the school based photographic competitions to the whole new level and be a part of making well known photographers in future.

I would like to thank the principal, the teacher in charge and my fellow Pilibimbu crew for giving the best effort to make this event a great success.
