Bond University Scholarship recipient  
Bachelor of Exercise and Sports Science /  
Doctor of Physiotherapy

**"Learning that I had received a scholarship to study at Bond was one of the best moments of my life. The best thing about Bond is the 'open door' policy where you can visit a professor at any time to ask for help. The opportunities I have been provided with have been amazing, including a five week placement in a hospital where I received valuable hands-on experience."**
