KewMann Became a Partner to Malaysia Digital Economy Corporation (MDEC) under Data Technology Partnership (DTP)

Kuala Lumpur, 20 May 2019 – KewMann was chosen to partner with MDEC as MDEC Data Technology Partner. KewMann received this recognition as one of the companies to help to spur the growth of big data analytics for Malaysia.

As part of the DTP under MDEC, KewMann will help to accelerate data technology adoption and develop Data-Driven Decision (DDD) Enterprises. DTP is also a platform to build a vibrant data technology ecosystem and helps in facilitate talent development and industry academic collaboration.

Established in 1996, the Malaysia Digital Economy Corporation Sdn. Bhd. Was the Government's response to the concept of "Digital Economy". Today, the global Digital Economy is estimated to be worth USD 3 Million. MDEC continues its role to organise and lead Malaysia's Digital Economy forward.

"It is an honour for us in KewMann to continue to spur the development of Big Data and AI development in Malaysia under MDEC Data Technology Partnership," said KewMann Executive Director, Kew Yoke Ling.
