

Funds Tiger

FundsTiger.com User Guide for sharing your documents via Gol's Digital Locker

Overview

FundsTiger.com which operates the Online Lending Marketplace for SMEs, MSMEs and Retail Borrowers now integrates with Gol's Digital Locker (<https://digilocker.gov.in/>). This integration makes it easy for SME and MSME borrowers applying for their Business Loans to share their documents directly from the Gol's DigiLocker via a secure process. This document briefly describes the user flow for a Loan Applicant to **fetch** and **share** the relevant loan related documents required via DigiLocker.

User Flow for a Business Loan

- 1) For new Applicants/User, please apply via a short form : www.FundsTiger.com/business-loan/ that is accessible via your web or mobile.

Fast Track your Loan Application Now !

Loan Amount Required * <input type="text"/>	Purpose of the Loan * <input type="text" value="Select"/>	Business Name * <input type="text"/>
Most Recent Annual Revenue * <input type="text"/>	Most Recent Operating Profit * <input type="text"/>	Industry * <input type="text" value="Select Industry"/>
Age of Business * <input type="text" value="Select age of business in operation"/>	State * <input type="text" value="Select State"/>	City * <input type="text" value="Select City (Select State First)"/>
Owned Residence or Office? * <input type="text" value="Select"/>	Borrower Email * <input type="text"/>	Mobile / Phone * <input type="text"/>
+ Do you have any reference code		
<input type="button" value="SUBMIT"/>		

- 2) After submitting the application, user will get an activation email to their registered account. Once the user activates their FundsTiger.com account they can login to their account using FundsTiger.com/login/
- 3) After login to the account, the user can go to "Edit" their Loan Application and once they go to "Upload Your Documents" section and now the user has the additional option to provide

has/her documents via the **Fetch from DigiLocker** link. If not, the user can always upload the file from his local drive as well.

Business Basic Details Loan Details Business Operation Details Key Business Persons Financial Information **Upload Your Documents**

Files Already Uploaded
No files were uploaded.

Please upload copies of the last 3 years Financial Statements (last 2 years' financial statements are mandatory, and if you provide the third year's statements too, it will help us analyse your application better)

No file selected.

OR

Please upload any valuation or copies of any documents in relation to the Security being offered. For example, if you would like to borrow against invoices, please upload the invoices. If you are seeking to borrow against property, please upload a copy of a recent valuation.

No file selected.

OR

- 4) If the user decides to share a document relevant to his/her Loan Application that has been previously uploaded by the user in their personal DigiLocker then he/she should click the **“Fetch from DigiLocker”** link , which will take the user to the Digital Locker login page that has been integrated with FundsTiger.

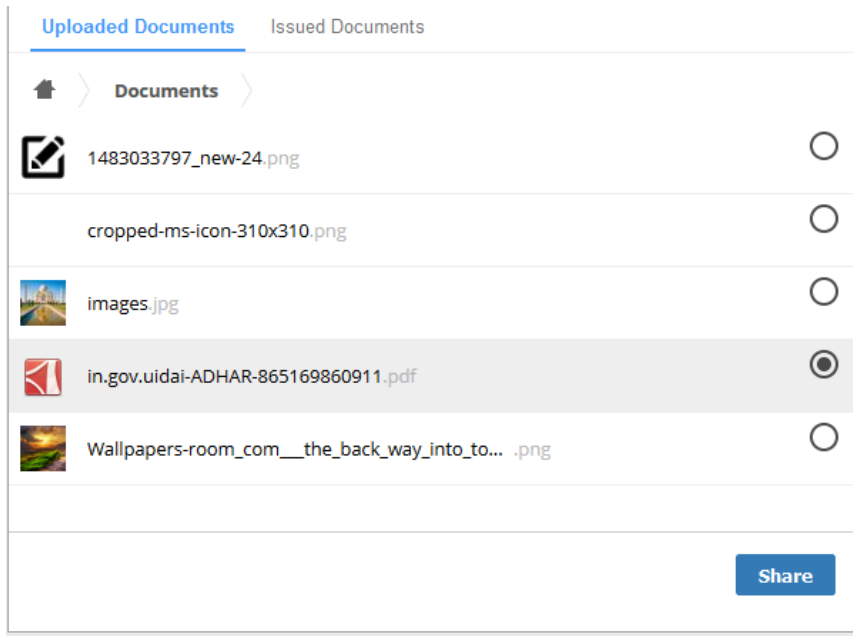

Sign In to your account

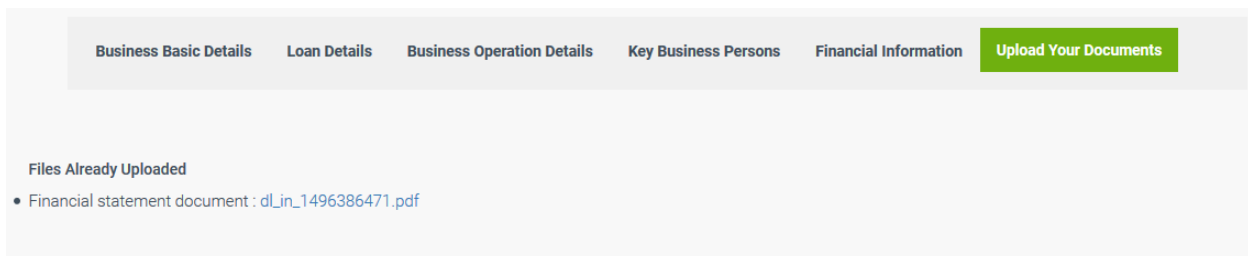

I allow DigiLocker to share my documents with Gatimaan Finance Advisors Pvt Ltd(test.oloano.com).

or [create an account](#)

- 5) After login to the user's Digital Locker, user/applicant can select the relevant document and "Share" the document present in his/her Digital Locker document with [FundsTiger.com](https://www.fundstiger.com) via the "Share" button

- 6) After sharing the document with FundsTiger, user can view the same after refreshing the page.

- 7) That's it. As simple as that, you have now successfully shared your document from your DigiLocker account with FundsTiger.com. If you run into any issues or need help, please drop and email to info@FundsTiger.com and we will be happy to assist you. Thank you!
