

# My Flying Checklist

## Before booking my flight

- I'm fit to travel.
- MyKad or MyPR or valid passport and other documents are in order.
- I've checked the travel updates, departure and arrival requirement based on my destination.

## Before heading to the airport

- If I have any symptoms, I'll go to the doctor immediately.
- I've packed sufficient face mask, sanitizer, anti bacterial wipes and my hygiene essentials. The **Hygiene Kit** is also available (just refer to the cabin crew on board).
- I'll bring my own pen to minimise contamination.
- I'll opt for web check in and arrive at the airport at least 1 hour prior to departure. Manual check-in is also available.

## I will also...

- Practise physical distancing.
- Frequently wash my hands properly with soap and water.
- Sanitise my hands before putting on my face mask.
- If I'm wearing a disposable face mask, I'll change to a new one every 4 hours.
- If i'm wearing a reusable mask, I'll change the filters as advised.
- Follow the etiquette when coughing and sneezing (cover my nose and mouth, cough/sneeze into my elbow and immediately wash/sanitize my hands afterwards).
- Avoid touching my eyes, nose and mouth.
- Minimise contact with high-touch surfaces and items.
- Before entering any premise/outlet, scan the QR code or opt for digital check in.

**Fly safely and confidently with Firefly.  
See you on board!**
