FAQs

1. What is the DataFlow Group?

The DataFlow Group is a leading global provider of specialized Primary Source Verification (PSV) solutions, and background screening and immigration compliance services. Clients across the public and private sectors rely on the DataFlow Group to mitigate potential risk by exposing fraudulent academic degrees, employment certificates, practice licenses, work permits and passports, among other documents.

To ensure that hired professionals have the qualifications they claim, the DataFlow Group utilizes cutting-edge technologies and leverages an expansive network of over 60,000 issuing authorities throughout more than 200 countries and territories to liaise with primary sources and verify the authenticity of documents submitted by candidates, in accordance with global industry best practices and Joint Commission International (JCI) guidelines.

The DataFlow Group undertakes hundreds of thousands of immigration compliance screening and verification service transactions for professionals each year on behalf of various government, quasigovernment, regulatory and large multinational organizations worldwide.

2. Why do I need to submit my documents to the DataFlow Group?

The MoHE Oman has partnered with the DataFlow Group to verify the authenticity of documents presented by applicants using an advanced screening method known as PSV.

3. How do I submit my information and documents to the DataFlow Group?

You may submit your information and documents within your PSV application by visiting www.dfgateway.com.

4. What documents are required for my PSV application?

Once you are logged into your account, you will be guided at each step to provide the information and upload the required documents accordingly. You must enter your personal data under the Personal Details section and your education documents under the Verification Details section. Once done, download the Letter of Authorization (LoA) - which must be signed and uploaded - along with a copy of your passport.

5. How do I assess the type of qualifications I need to include in my PSV application?

The DataFlow Group is responsible for conducting PSV only. For other queries, please contact concerned officials at the MoHE Oman.

6. What is the process adopted by the DataFlow Group for document verification?

The DataFlow Group conducts PSV by directly approaching the education, corporate or licencing body that issued the document to confirm its authenticity.

7. What is the fee for the PSV application?

Fees vary depending on the number of documents that need to be verified.

Please note that the submitted application covers one education certificate at a time, unless further instructions are provided by the MoHE Oman.

Note: The only payment fee required by the DataFlow Group is settled during the application stage. If any party claims the need for additional fees, please notify us immediately via the Contact Us page on the DataFlow Group website.

8. Can I pay for my application in cash?

Currently, we only accept online payments via credit card.

9. Should I attest/apostille my documents from the embassy in my country or from any other authority?

The DataFlow Group does not require document attestation/apostilling for PSV. Simply make sure that the document scans are clear and complete to ensure the timely processing of your application. The DataFlow Group does not require translated copies or actual original documents.

10. What is the Letter of Authorization (LoA) intended for?

The LoA is a mandatory requirement that provides permission to the DataFlow Group and the MoHE Oman to conduct the verification process. Kindly note that the LoA must be signed by the applicant only.

11. What is the timeframe required by the DataFlow Group to complete the verification?

The standard timeframe for completing the verification is 14 working days upon receiving the payment. However, occasionally, it will not be possible to conclude the process within this estimated timeframe due to holidays, staff absences or records being archived or misplaced by institutions.

12. What happens after the DataFlow Group has completed my PSV application?

Once your PSV application is completed, a final report will be shared with the MoHE Oman.

13. I haven't received any confirmation regarding my application submission. Please advise.

An auto generated email is sent by noreply@dataflowgroup.com once the payment is settled and the application is submitted successfully.

14. Please advise on the Identification Number of my application.

Your DataFlow Group Reference Number will be provided in the confirmation email you will receive after successfully completing your application.

15. How can I follow up on the status of my application?

[Click here](#) to check the current status of your application. This can be done by entering your Barcode Number and Passport Number.

Alternatively, you may visit www.dfgateway.com, login using your account details and click on the 'Check Status' tab.

16. My credentials have been previously verified by the DataFlow Group for another authority. Please advise if I need to submit my application once again to the DataFlow Group when applying to the MoHE Oman.

Yes, you are required to submit your application once again to the DataFlow Group when applying to the MoHE Oman.

17. How will I know when my PSV application has been completed?

Once your PSV application is completed, an email notification will be sent to your registered email ID and a final report will be shared with the MoHE Oman.

DATAFLOW

18. I have been informed through my online application status that my PSV process has been completed. How can I obtain the report?

A copy of your PSV report has been shared directly with the MoHE Oman. For further assistance on the matter, contact the MoHE Oman.

19. I was unable to find an answer to my query, and I still have a question.

[Click here](#) to submit your request, quoting your Barcode Number or Reference Number. The DataFlow Group team will revert at the soonest.
