

KATE HUDSON SPOTTED WEARING THE SUPPORI BABY CARRIER

We're always keeping an eye out for sightings of celebrities wearing our SUPPORi baby carrier. On April 19, celebrity mom Kate Hudson was spotted in New York, enjoying her 34th birthday with her family and carrying her younger son, Bing, in a bright blue SUPPORi.

For many people, Kate's best known for her role as Penny Lane in the movie *Almost*

Famous. But no matter which part of hers you enjoy the most, it's lovely to see her sporting a SUPPORi during her quality time with her sons.

It's great to spot celebrities wearing SUPPORi and enjoying carrying their babies!
