 +91 87545 70301

Each plan takes into account the individual student's target scores, strong & weak concepts, and even the time the student can allocate for studying each day.

This particular Personalized Study Plan was specially created for one of our GRE students who had 7 weeks remaining for his exam. He wanted to score 155+ in both Verbal and Quant and committed to study 4 hrs everyday to achieve this target.

Date	Study hrs/day	Type	Task 1	Est min	Type	Task 2	Est min	Type	Task 3	Est min	Type	Task 4	Est min	Type	Task 5	Est min	Type	Task 6	Est min
