Remarks:

- Diagrams are not drawn to scale.
- Orders with creasing finishing will be delivered without folding.
- Hot Stamping pressure may leave a stamping mark on the back of business card. Hence, members shall notice this risk and EXCARD shall not be held responsible for the stamping mark on the back.
- Finishing such as Spot UV and Hot Stamping may cause the card thickness to become uneven and when packed cards may become slightly curved. (i.e. not flat when placed on table, in wallet, card holder, etc). EXCARD shall not accept any rejects claims for curved Business Cards due to these factors.
- The round corner position is follow exactly as shown in ordering page diagram for either portrait or landscape. No rotation required.

- Selected quantity for Spot UV is 300, 500, 1,000, 2,000, 3,000, 4,000, 5,000, 6,000, 7,000, 8,000, 9,000, 10,000.
