

Lyrics

A smile is quite a funny thing
It lightens up your face

And when it's gone you'll never find
Its secret hiding place

But far more wonderful it is
To see what smiles can do

You smile at me,
I smile at you
And everyone will smile

Chorus:

Smile, smile
It isn't hard to do

Smile for this webinar
Let one smile go far

Smile, smile
The magic's shining through

Smile from your heart
And the world smiles with you

Smile to your customers
Smile to your staff
And when you see your competitors

Don't forget to SMILE

Smiling makes it pleasant
Smiling shows you care

So smile and smile and don't forget
That smiles go everywhere

Chorus:

Smile, smile
It isn't hard to do

Smile for this webinar
Let one smile go far

Smile, smile
The magic's shining through

Smile from our heart
And the world smiles with us

Smile in the morning
Smile in the night

And when you see Evanna's smile
It'll make you feel so right
Smiling makes it pleasant
Smiling shows you care

So smile and smile and don't forget
That smiles go everywhere

<saxophone>

Chorus:

Smile, smile
It isn't hard to do

Smile for this webinar
Let one smile go far
Smile, smile
The magic's shining through

Smile from our heart
And the world smiles with us

La la la la la
La la la la

Smile for this webinar
Let one smile go far
Smile, smile
The magic's shining through

Smile from our heart
And the world smiles with us
