

Duties of Academic Board:

The terms of reference of the Academic Board are as follows:

- (a) to develop and review the policies and procedures on all academic matters of the private education institution, including but not limited to academic quality assurance measures; and
- (b) to facilitate the implementation of and compliance with such policies and procedures.

Specifically, the Academic Board of the school shall:

- (a) develop a set of standards to ensure the academic quality of every course to be offered or provided by the private education institution, including but not limited to –
 - (i) the content of the modules or subjects of the course;
 - (ii) the duration of the course; and
 - (iii) the appropriate entry and graduation requirements;
- (b) approve each person to be deployed to teach any course offered or provided by the school or any module or subject thereof, after determining that the person possesses the minimum qualifications and experience and other criteria prescribed in the Private Education Regulations clause 26; and
- (c) review the policies and procedures on all academic matters of the school at least once a year.
