

Fiddle Fig

Our own personal favourite, the Fiddle leaf fig is easily recognizable and loved for its distinctive foliage. This tall, dramatic plant has very large, heavily veined leaves that grow upright. Its tall growth pattern will make it a beautiful interior design addition for a brightly lit corner or cozy nook in your space.

Location

indoor to semi-indoor

Ease of Care

medium level care

Light

these can adapt to areas that get partial sunlight and partial shade.
