

Rhapis Palm

This is a great indoor house plant with fan-like fronds that are shiny and glossy green. They grow happily in the tropical and shady areas receiving little sunlight. Rhapis palms like good air circulation and can look very decorative in all spaces.

Location

indoor to semi-indoor

Ease of Care

easy to grow

Light

these can adapt to areas that get partial sunlight and partial shade.

Watering

let the soil dry between waterings. during winter, reduce watering. too much water can kill the plant.
