

Bird of Paradise

This is a large, upright plant that adds a rich, tropical flair to your space as its glossy, banana-shaped leaves fan out. The majestic foliage and graceful stems make a statement on their own.

Location

semi-indoor

Ease of Care

easy to grow

Light

they can tolerate medium light conditions. we recommend placing them in partial shade with decent exposure to sunlight

Watering

let the soil dry between waterings. during winter, reduce watering. too much water can kill the plant.

Special Feature

tropical feel

Toxicity

toxic if ingested

Sad Plant Signs

yellowing lower leaves:
overwatered

wilting, curling leaves:
thirsty plant, underwatered

live life in full bloom
