

# Song of India

The Song of India is both beautiful and easy to care for, featuring lively variegated yellow and green leaves that are striped, narrow, pointed and spirally arranged on its stems. Song of India is the perfect tropical plant to complement your living space.

## Location

semi-indoor

## Ease of Care

easy to grow

## Light

they can tolerate medium light conditions. we recommend placing them in partial shade with decent exposure to sunlight

## Watering

let the soil dry between waterings. during winter, reduce watering. too much water can kill the plant.

## Special Feature

air purifying

## Toxicity

mildly toxic if ingested

## Sad Plant Signs

root rot, moist soil:  
overwatered

brown leaves:  
less sunlight, wet soil

nature is like vitamins for the soul
