

Golden Duranta

A tropical powerhouse, the golden duranta is a fast-growing tropical shrub with fantastic foliage. With the potential to become quite large where they are hardy, these plants make great, warm-season annuals, and can even act as houseplants.

Location

outdoor

Ease of Care

easy to grow

Light

thrives in bright light.
avoid placing them in harsh
sunlight or in low light
conditions.

Watering

let the soil dry between
waterings. during winter
and monsoons, reduce
watering.

Special Feature

adds color to space
