

Pilea

This is also known as the friendship plant (or the Chinese money plant) and it is a true gem. It's playful, very pleasing to the eye, and fairly easy to care for. The plant grows like crazy and then grows little babies so you can share it with friends! Their quirky form is like no other plant.

Location

indoor to semi-indoor

Ease of Care

easy to grow

Light

these can adapt to areas that get partial sunlight and will also survive quite dim situations.

Watering

let the soil dry between waterings. during winter, reduce watering. too much water can kill the plant.
