

Fittonia

This plant will satisfy the inner perfectionist in you. Each leaf of it is perfectly shaped with vivid white veins that run across the dark green leaf, earning it the name Silver Net Plant.

Location

indoor to semi-indoor

Ease of Care

easy to grow

Light

these can adapt to areas that get partial sunlight and will also survive quite dim situations.

Watering

let the soil dry between waterings. during winter, reduce watering. too much water can kill the plant.

Special Feature

attractive foliage

Toxicity

not toxic

Sad Plant Signs

yellowing leaves:
overwatered

dry, shriveled leaves
too much direct sun

You are the only one who can
limit your greatness
