

# RELAX. REFRESH. RENEW.

The bottle will infuse dissolved free molecules of Hydrogen. Dissolved Hydrogen has benefits like being absorbed by the body quickly, making water antioxidant, reducing inflammation, reducing risk of metabolic syndrome, providing neuroprotection for various disorders, reducing side effects associated with cancer radiation treatment and more than 150 more benefits.

## Portable Hydrogen Rich Water Generation Tumbler

### WHAT IS HYDROGEN WATER?

- Chemically represented with symbol H having atomic number 1.
- 75% of entire universe made up of hydrogen.
- Smallest & simplest element in the universe, having capabilities to act at cellular levels in our body.
- Hydrogen is a natural antioxidant.
- Hydrogen is qualified to cross blood brain barrier.
- Studies show that hydrogen exerts an Antioxidant. Anti-apoptotic, Anti-Inflammatory & Cytoprotective Properties that are beneficial to cell

### FEATURE

- SPE Technology (Solid Polymer Electrolysis).
- Less space consuming & can be connected with package water bottle.
- No more high alkaline or acidic water (mild alkaline)
- Can generate Ozone for Skin Care & Washing Fruits & Vegetables.

### SPECIFICATIONS

Initial source of water	: Purified water
Voltage	: 220V, 50-60 HZ, SV, 2A
Battery Capacity	: 3000 mAh
Cup Capacity	: 500ml
Antioxidant Indices (ORP)	: up to -600mv
Dissolved Hydrogen	: up to 1200 ppb
Package Content	: Hydrogen Bottle   Nozzle Pipe   User Manual   Bottle Charging Cable
Fully charged Battery	: Can be used 60 times
Hydrogen Produce Cycle	: 3 & 10 minutes options

## MORE FEATURES

- ➡ Two options for Hydrogen generation:  
1:- 3 minutes cycle for Hydrogen generation upto 1200 ppb  
2:- 10 minutes cycle for Hydrogen generation upto 2200 ppb
- ➡ Lid lock option
- ➡ Easy to pour bottle top

- ➡ Option for inhaling Hydrogen
- ➡ Comes with pipes compatible for inhalation

- ➡ Option for making 1 liter packaged drinking water Antioxidant, Hydrogen-rich
- ➡ Compatible with almost all 1 liter packaged drinking water bottle in the market

- ➡ Fill Antioxidant, Hydrogen-rich water in an small spray bottle
- ➡ Use for spraying on skin for increased hydration
- ➡ Antioxidant water helps in eliminating toxic wastes off the skin
