AT A GLANCE

- The YAMUNA Group has established itself as a versatile player in various sectors over the past two decades.
- With a strong commitment to meeting customer needs, the group specializes in the production, sale, and export of a diverse array of products.
- This customer-centric approach has enabled YAMUNA to adapt and thrive in a competitive market, continuously expanding its portfolio to include innovative solutions across multiple industries.
- The YAMUNA Group comprises several firms, each specializing in different industries. This diversified approach allows the group to leverage expertise across various sectors, enhancing its market presence and adaptability.
- By fostering innovation and collaboration among its subsidiaries, YAMUNA Group effectively meets the unique demands of its customers, ensuring quality and reliability in all its offerings.
- This multi-industry engagement positions the YAMUNA group as a versatile leader capable of navigating the complexities of a dynamic marketplace.
- Moreover, we are actively engaged in the supply of our products to merchant exporters, ensuring that we meet their needs with high-quality goods and reliable service. Our commitment to excellence and timely delivery positions us as a preferred partner in the export market
- The optimal applications for our products are outlined on the last page.

Earthing / Grounding Rod (Copper Bonded)

- Brand: Soneri
- Material: Copper Bonded (CB)
- CB Thickness: 50 to 250 Microns
- Size Range: Customizable
- Thickness: 8 mm to 24 mm
- Length: 300 mm to 1500 mm
- Lab Test Report: Available

soneri
EXPORTS

Lightning Arrester with Multispike (Copper Bonded)

- Brand: Soneri
- Material: Copper Bonded (CB)
- CB Thickness: 50 to 250 Microns
- Size Range: Customizable with Multispike
- Thickness: 8 mm to 24 mm
- Length: 300 mm to 1500 mm
- Lab Test Report: Available

soneri
EXPORTS

Polypropylene Rope (PP Rope)

- Material: Polypropylene (PP)
- Size Range: 3 mm to 32 mm
- Length: Customizable
- ISI and Non-ISI both quality available
- Strength as per IS Standard 5172
- Chemical & Frictional Resistance
- Good Shock Absorption & No Slippage

SS Step & Reduce Step Nipples

- Brand: Sulekha™
- Material: Stainless Steel Grade 304 & 202
- Reduce Step Diameter: 1 inch to 4 inches
- Step Diameter: 0.5 inch to 4 inches
- Other Size Range: Customizable (Length & Diameter both)
- Thread: As per ISI Specifications
- Usage: with HDPE Pipe

Cast Iron & Welded Products

- Material: Cast Iron & Mild Steel (MS)
- Size Range: 0.5 inches to 6 inches (Diameter)
- Other Size: Customizable Diameter
- Usage: Industrial & Agricultural Activities
- Thread: As per ISI Standards
- Fastener Material: SS & MS – as per requirement
- Thickness: Heavy, Medium & Light thicknesses as per requirement

Chemical Compound, Earth Pit Cover and all Accessories

- Brand: Soneri™
- Accessories: MS, SS, GI, Brass Material
- Earth Pit Cover: FRP Material
- Chemical Compound: Back Fill Compound
- Fastener Material: SS & MS as per requirement

MS Submersible Clamp (specially made for exports)

- Material: Mild Steel (MS) - Export Quality
- Size Range: 12 mm to 250 mm
- Length: Customizable
- Thickness of bar: Customizable
- Specially made for Export
- Available with Fastener Set

CI Borecap (Cast Iron)

- Material: Cast Iron (CI)
- Size Range: 12 mm to 152 mm
- Other Size Range: Customizable (Thickness & Diameter both)
- Borehole: As per ISI Specifications
- Usage: Submersible Pump

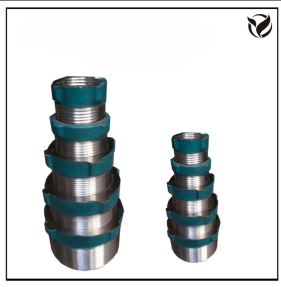

CI Flanges (Cast Iron)

- Material: Cast Iron (CI)
- Size Range: 1 inch to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Hole for Fastener: As per ISI Specifications
- Usage: Industrial & Agricultural Activities

Forged Carbon Steel Flanges

- Material: Stainless Steel (SS) grade 202 / 304
- Size Range: 1 inch to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Hole for Fastener: As per ISI Specifications
- Usage: Industrial & Agricultural Activities

SS Reduce Bushing

- Material: Stainless Steel (SS) grade 202 / 304
- Size Range: 0.5 inches to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Usage: Industrial & Agricultural Activities

SS Reverse Reduce Bushing

- Material: Stainless Steel (SS) grade 202 / 304
- Size Range: 0.5 inches to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Usage: Industrial & Agricultural Activities

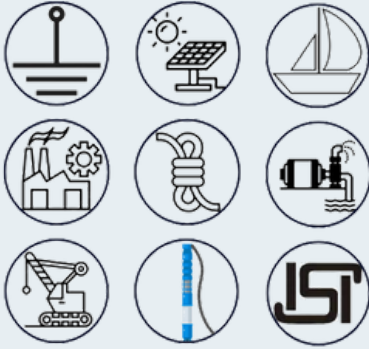

SS Coupline

- Material: Stainless Steel (SS) grade 202 / 304
- Size Range: 0.5 inches to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Usage: Industrial & Agricultural Activities

SS Flange Connector (Jota)

- Material: Stainless Steel (SS) grade 202 / 304
- Fastener Material: SS Fastener
- Size Range: 0.5 inches to 6 inches
- Other Size: Customizable Diameter
- Thickness: Heavy, Medium & Light thicknesses as per requirement
- Thread: As per ISI Standards
- Usage: Industrial & Agricultural Activities
