

HYS GLOBAL

is a prominent player in the coffee export industry, dedicated to sourcing and delivering high-quality coffee beans to international markets.

Our Mission

Our mission at **HYS GLOBAL** is to connect coffee enthusiasts worldwide with exceptional coffee beans sourced from the finest regions. We strive to maintain the highest standards of quality and sustainability throughout our supply chain, ensuring that every cup of coffee brewed from our beans delights and satisfies our customers.

Our Vision

We envision becoming a global leader in the coffee export industry, recognized for our unwavering commitment to quality, sustainability, and customer satisfaction. We aim to expand our reach to new markets while maintaining strong partnerships with coffee growers and fostering sustainable practices that benefit local communities and the environment.

Our Coffee Products

Arabica Coffee

Robusta Coffee

01. Arabica Coffee

Arabica coffee is a type of coffee that is quite well known and has many varieties. Arabica coffee is a traditional coffee whose taste is considered the most delicious by coffee connoisseurs.

02. Robusta Coffee

Robusta coffee has a slightly rougher texture on the tongue and tastes sweet like chocolate. This type of Robusta coffee can grow and live in areas with an altitude of 800-900 MASL.
