Please note that this a suggested lecture timetable (Page 1) for you to use as a guide so that you can complete the subjects on time so that you would have completed the necessary lectures before the subject tutorials. The lecture timetable serves as a guide only and you do not need to strictly follow the timings and may adjust the timings accordingly based on your convenience all the lessons are prerecorded and readily available in the portal for you to access at anytime. Students may also attend the additional tutorials (live Q&A session) listed in page 3 should they need guidance with their homework or past year questions in order to fully prepare them for the upcoming exam.
