

Course Rationale:

- To provide students with the necessary knowledge and skills to effectively develop/sharpen the required skills in the preferred domain and make informed decisions for the prospective job opportunity in the corporate.
- To help students establish credibility with prospective recruiter. It demonstrates that they have the necessary/required skills and knowledge to be employable.
- To increase the employability of the students in the preferred position/industry.
- To provide students with opportunities to network with other business owners, industry experts, and potential partners. This can help them build relationships that can lead to new opportunities and collaborations.

Course Scheme:

Teaching Scheme			Credits	Examination Marks				Total Marks
L	T	P		Theory		Practical		
				ESE (E)	PA(M)	ESE (V)	PA (I)	
0	0	2	2	0	0	50	50	100

Course Guidelines:

- All students have to achieve/earn professional certifications outside of institute and beyond the subjects offered in the MBA (IB) curriculum.
- The students may choose/enroll in more than one course/professional development program during the semester to appear in viva of Skill Enhancement Course.
- All students have to submit certificate(s) of completion to appear in the internal as well as external viva
- Mere Enrolment in a training program/workshop will not be considered but the certificate of completion is required to submit.
- All students should enroll in the course/program which are relevant to their domain of knowledge or the preferred industry or profile.
- All students have to compile all the certificates and bind (Spiral). Students are also required to write the learning of each certificate in 500 words. The learning may be based on the content of the certification.

Course Evaluation:

Students shall be evaluated on the following components:

External/ Internal Evaluation	Total – 100 Marks
• External University Viva	50 Marks
• Internal viva	50 marks
