To,

All Students, Researchers, Faculty Member, Colleges, Start-ups from Pharma & Health care Domain.

**SUBJECT: GTU organises first SSIP Pharma & Health Care projects screening on 19.02.2019, Tuesday.**

To inculcate culture of innovation amongst the students, researchers, faculty member or start-ups (who are students or passed out in last five academic years) and to provide a conducive environment for optimum harnessing of their creative pursuit, The Education Department, Government of Gujarat has issued Student Start-up and Innovation Policy (SSIP) 2017-2021, vide G.R. No. PRC/2016/IPIES/DS/S/710197, dated: 11/01/2017. The Government has decided **to facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and development of utility, protecting innovation by patents, the student start up to help in building innovation.** The State Government therefore, aims to support innovation, start up, incubator, and others directly and/or through academic & education institutions and universities in the above policy with an objective of harnessing creative potential of young students across universities and educational institutions.

***Under the provisions of SSIP scheme, GTU is organising first session of Pharma & Health Care projects screening on 19.02.2019, Tuesday. For the innovative projects, GTU will provide a grant of upto Rs 2 Lakh per project for development of "Proof of Concept (PoC)" or "Minimum Viable Product (MVP)" and grant of Rs 25000/- for patent filing under the provisions of SSIP Scheme.***
