SUBJECT: GTU-NRDC-IFC in association with SSIP organises series of Patent Projects Screening during February 2019

To inculcate culture of innovation amongst the students, researchers, faculty member or start-ups (who are students or passed out in last five academic years) and to provide a conducive environment for optimum harnessing of their creative pursuit, The Education Department, Government of Gujarat has issued Student Start-up and Innovation Policy (SSIP) 2017-2021, vide G.R. No. PRC/2016/IPIES/DS/S/710197, dated: 11/01/2017. The Government has decided **to facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and development of utility, protecting innovation by patents, the student start up to help in building innovation.** The State Government therefore, aims to support innovation, start up, incubator, and others directly and/or through academic & education institutions and universities in the above policy with an objective of harnessing creative potential of young students across universities and educational institutions.

GTU-NRDC-IFC in association with SSIP organises series of Patent Projects Screening during February 2019. To the novel and innovative projects GTU will provide a financial grant of Rs 25000/- for patent filing under the provisions of SSIP Scheme.
