

## WEBINAR ON “ROLE OF A TEACHER IN IMPLEMENTATION OF NATIONAL EDUCATION POLICY-2020”

Jointly organised by

**NITI Aayog, IQAC - Gujarat technological University & Bharatiya Shikshan Mandal**

On 19<sup>th</sup> February, 2021

### **About GTU:**

Gujarat Technological University is a premier academic and research institution which has driven new ways of thinking since its 2007 founding, established by the Government of Gujarat vide Gujarat Act No. 20 of 2007. Today, GTU is an intellectual destination that draws inspired scholars to its campus, keeping GTU at the nexus of ideas that challenge and change the world. GTU is a State University with more than 440 affiliated colleges in its fold operating across the state of Gujarat through its FIVE zones at

Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University caters to the fields of Engineering, Architecture, Management, Pharmacy and Computer Science. The University has about 4,00,000 students enrolled in a large number of Diploma, Under Graduate, Post Graduate programs along with the robust Doctoral program.

### **Bharatiya Shikshan Mandal:**

Bharatiya Shikshan Mandal was founded on the auspicious day of Rama Navami in the year 1969 is working with the objective of national resurgence in the field of education. It aims at evolving National Education Policy, Curriculum, System & Methodology based on integral Bharatiya vision, rooted in its eternal ethos and centered at overall development of the country. A number of educational, Intellectual and experimental activities are being conducted in all parts of the country both at school and higher education levels to actualize this noble mission of re-establishing Bharatiya Education System.

### **NITI Aayog:**

The National Institution for Transforming India, also called NITI Aayog, was formed via a resolution of the Union Cabinet on January 1, 2015. NITI Aayog is the premier policy ‘Think Tank’ of the Government of India, providing both directional and

policy inputs. While designing strategic and long term policies and programmes for the Government of India, NITI Aayog also provides relevant technical advice to the Centre and States. The Government of India, in keeping with its reform agenda, constituted the NITI Aayog to replace the Planning Commission instituted in 1950. This was done in order to better serve the needs and aspirations of the people of India.

#### **About Sessions of Webinar:**

**Inaugural session:** In the Inaugural session there will be key note address on specific topics which would be in-line with the prime focus of the webinar theme.

**Breakout Session:** The participant will be segregated in the break-out sessions which will run in parallel. All participants should actively discuss about the implementations of National Education Policy-2020 and role of teacher with respect to changes faced.

**Valedictory Session:** During the valedictory session, Track leaders will be given 3-5 minutes each to share the salient points that were discussed in their respective tracks and the university will compile the report of all the tracks and will submit the same to NITI Aayog & BSM for further use.

#### **Date & Time of Webinar:**

Date: 19<sup>th</sup> February, 2021 at 2:30pm

#### **Who can participate?**

All the teaching faculty members of the University and colleges/institutes are eligible to participate in the webinar. It is expected that maximum participants join from each institute.
