CIRCULAR

Subject: Mandatory requirement of “Extension of Affiliation” for the Institutes having existing students.

Reference: 1) Regulations No. R 14 of GTU Regulation-2017.

2) Resolution No. 48.26 of the 48th Academic Council Meeting dated 01/08/2024

3) Resolution No. 56.11 of the 56th Academic Council Meeting dated 10/03/2026

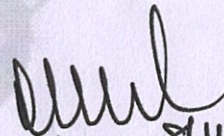

As per the above-referred references (1) and (2), Gujarat Technological University grants temporary affiliation to both existing and new institutes for every academic year.

It has been observed that in certain cases, institutes having existing students do not apply for Extension of Affiliation due to their unwillingness to admit new students in the forthcoming academic year. However, the University continues to conduct examinations for the existing students of such institutes.

Now, as per Resolution No. 56.11 of the 56th Academic Council Meeting (referred at 3), all existing institutes are hereby informed that:

1. All affiliated institutes having existing students shall mandatorily obtain “Extension of Affiliation” for every academic year, irrespective of whether new admissions are proposed or not.
2. It is further notified that the University shall not accept student lists or examination forms from any institute unless the institute has obtained a valid “Extension of Affiliation” for the relevant academic year.

All institutes are hereby instructed to ensure strict compliance with the above decision with immediate effect.
