## CIRCULAR

To,

All Principals/Head of Departments/Faculty members/Students of Biotech/Biomed/ ICT Health/Computer Science/Life Sciences and other allied areas

### **Sub: Inviting ideas/project proposals for Atal Incubation Center of Gujarat Technological University (GTU) in domains of Biotech/BioMed/ICT Health & other allied areas**

Gujarat Technological University has been at forefront in the sphere of Innovation and Entrepreneurship & start-up ecosystem development.

To foster the culture of technology based entrepreneurship, Gujarat Technological University under Atal Innovation Mission has set up **Atal Incubation Center** to support **Technology based start-ups** having application in core sectors such as Agriculture, Biotechnology, healthcare, Information Communication & contributing to development an innovation ecosystem, where start-ups and new ventures thrive.

Ideas/ Project Proposals are invited from students, facilities, Researchers and from the Budding entrepreneurs looking for **Mentoring, Infrastructure access & Funding support** for Prototype / MVP / Product development in the following identified focus area:

- **Biotechnology/Pharmacy**
- **Biomedical Devices and allied domain**
- **Health Tech/ ICT enabled health systems**

Interested ones can send your ideas/proposals which have potential for incubation and their conversion into entrepreneurship, new business ventures etc., by applying to this link:
