Circular

Online Mock test for students of BE/B.Pharm - Semester 2, 4 & 6

University and affiliated colleges are closed and classes have been suspended in view of the current situation of COVID-19 pandemic. It should be the priority of all the stakeholders that student's time should be better utilized during the remaining lockdown period by engaging them in various types of online learning/evaluation activities. University is continuously trying to support/help society, state and country in the currently prevailing situation through its various types of unique initiatives.

In order to motivate the students and to keep them in touch with the current subject, University is going to conduct MCQ type MOCK test. Initially, this test will be conducted for the regular BE/B.Pharm students of semesters 2, 4 and 6. Separate circular regarding mock test for Diploma Semester 2 and 4 regular students will be displayed on GTU website next week. List of the subjects for which students can register for this MOCK test is mentioned in Annexure A. One subject is selected for each course/branch/semester. Detailed timetable will be released on GTU Website in next week. Marks secured by the students in this test will not be counted in its final result. Students will be required to attempt 30 MCQs in 30 minutes. Each MCQ will have 4 different options. Each question will carry 1 mark and there will not be any type of negative marking. Students can appear in this test through their Laptop, Desktop, Mobile and Tablet from their home only. Students are not required to pay any type of fees to appear in this mock test. No Honorarium will be paid to the faculties/institutes for supporting in this activity.

Students will have to register through <https://www.student.gtu.ac.in/> to appear in this test.

GUJARAT TECHNOLOGICAL UNIVERSITY

(Established by Government of Gujarat Under Gujarat Act No.: 20 of 2007)

ગુજરાત ટેકનોલોજીકલ યુનિવર્સીટી

(ગુજરાત સરકારના ગુજરાત અધિનિયમ ક્રમાંક : ૨૦૦૭ દ્વારા સ્થાપિત)

Start and end date of registration for both courses is mentioned below:

Course	Start date of Registration	End date of Registration
B.Pharm	09/05/2020	11/05/2020
B.E.	10/05/2020	12/05/2020

After the last date of registration, no request for registration will be entertained. Students are informed to refer the guidelines for registration. Students will receive the login credentials for this mock test on their registered mobile number and email id. So, It is informed to enter both of them with due precision during registration process.

Principals of affiliated institutes are requested to look after this activity personally and they should make every attempt, so that all students of their institute should get registered and appear for this mock test. All the affiliated Institutes are hereby informed to convey this Circular to its all Students. For any query, institutes/students can send email on be_mock_exam@gtu.edu.in for BE related subjects test and on bph_mock_exam@gtu.edu.in for B. Pharm related subjects test.

Students are informed to keep visiting GTU website in order to get regular updates regarding this mock test.

Let us stay safe and continue online learning.

Annexure – A

List of Subjects branch wise for BE Semester 6

Branch Number	Subject Code	Subject Name
1	2160109	Theory of Vibration
2	2160205	Automobile Chassis and Body Engineering
3	2160301	Diagnostic Instrumentation
4	2160405	Principles of Process Engineering-III
5	2160504	Pollution Control, Safety & Health Management
6	2160603	Railway, Bridge & Tunnel Engineering
7	2160701	Software Engineering
8	2160908	Electrical Power system – II
9	2160908	Electrical Power system – II
10	2161005	Optical Communication
11	2161005	Optical Communication
12	2161005	Optical Communication
13	2161302	Fundamentals of Air Pollution
14	2161409	Bakery and Confectionary Technology
15	2161501	Materials Management
16	2160701	Software Engineering
17	2161704	Analog and Digital communication
19	2161907	Industrial Engineering
20	2161907	Industrial Engineering
21	2162107	Heat Treatment
22	2162205	Mine Surface Environment
23	2162304	Polymer reaction engineering and Rheology
24	2162407	Electrical Power Utilization & Traction
25	2162508	Metal Forming Technology
26	2162604	Characterisation of Rubber
28	2162801	Technology of Dyeing – II
29	2162906	Fabric Structure-II
31	2160701	Software Engineering
32	2161005	Optical Communication
34	2161907	Industrial Engineering
35	2163507	Environmental Management-II
36	2163609	Basics of Mass Transfer
37	2161302	Fundamentals of Air Pollution
39	2163904	Non-conventional energy sources
40	2164004	Infrastructure Planning and Appraisal
41	2164104	Power Electronics and Drives

List of Subjects branch wise for BE Semester 4

Branch Number	Subject Code	Subject Name
1	3140111	Avionics
2	3140204	Automotive Manufacturing Processes and Technology
3	3140309	Psychological Processes
4	3140408	Microbiology
5	3140503	Heat Transfer
6	3140609	Civil Engineering - Societal & Global Impact
7	3140709	Principles of Economics and Management
9	3140913	Electrical Machine- I
10	3141007	Professional Ethics
11	3141007	Professional Ethics
13	3141310	Occupational Health & Safety
14	3141407	Food Drying and Dehydration
15	3141909	Organisational Behaviour
16	3140709	Principles of Economics and Management
17	3141007	Professional Ethics
19	3141909	Organisational Behaviour
20	3142007	Elements of Business Management
21	3141909	Organisational Behaviour
22	3142207	Mine Management and General Safety
23	3142310	Injection Molding Technology
24	3142409	Basic Power Electronics Devices, Circuits and Applications
25	3141909	Organisational Behaviour
26	3142601	Rubber Compounding Materials
29	3142907	Textile Processing
31	3140709	Principles of Economics and Management
32	3140709	Principles of Economics and Management
34	3141909	Organisational Behaviour
35	3143509	Organic Chemistry & Industrial Processes
36	3143610	Organic Chemistry for Technologists
39	3140709	Principles of Economics and Management
39	3143905	Characterization of Nanomaterials-2
40	3144002	Fundamentals of Structural Analysis
41	3142007	Elements of Business Management
