D.O.No.F.14-30/2018(CPP-II)

December 12, 2018

**Sub: Celebrating 22<sup>nd</sup> December, 2018 as National Mathematics Day**

Dear Sir/Madam,

Born on December 22 in the year 1887 in Erode, Tamil Nadu, Srinivasa Ramanujan has greatly contributed towards Mathematical Analysis, Number Theory, Infinite Series and Continued Fractions.

To commemorate his great contributions to Mathematics, the birth anniversary of Srinivasa Ramanujan has been declared as “**National Mathematics Day**” for paying tribute to the great mathematicians of India.

All the Universities and Colleges are requested to celebrate 22<sup>nd</sup> December, 2018 as “National Mathematics Day” by holding talks/seminars in the Universities and Colleges to make the students aware of the great contributions made by legendary mathematicians of India such as Brahmagupta, Aryabhata and Srinivasa Ramanujan. The Academicians and Researchers from across the nation may be invited to deliver lectures and share their knowledge and experience on the relevant topics. Different types of Quiz Competitions and Poster Presentation Competitions may also be held on the themes of ‘Indian Mathematics’, ‘Mathematics for Life’ and ‘Applications of Mathematics’, to develop the knowledge and interest of students in the field of Mathematics.

This may be brought to the notice of the colleges under your purview.

With regards,

Yours sincerely,

(Rajnish Jain)

The Vice-Chancellors of all the Universities
