As per the reference given above all institutes running management courses namely MBA, MBA (International Business), MBA (Integrated) and MBA (Part-Time) course need to use Statistical Formula and Statistical Tables attached herewith as Annexure 1 & Annexure 2 respectively during all types of examinations, hence forth.

Annexure 1 contains Statistical Formula with seven (07) pages. Similarly Annexure 2 contains Statistical Tables with twenty seven (27) pages.

Instruction to use Statistical Formula and Tables

1. All institutes are hereby instructed to take a legible print out of attached Statistical Formula and Statistical Tables on good quality paper
2. After taking print out, the Institute is required to put Seal of institute on each page of these documents.
3. The stamped document then will be provided to each student during Internal /Mid Term/Remedial and University exam for the concerned subjects MBA, MBA (International Business), MBA (Integrated) and MBA (Part-Time) course. The institute should not use any other Statistical Formula set and Statistical Tables from any other sources.
4. All institutes must ensure that no students should write anything (with Pen or Pencil) on this document. During the university exam, if the staff on invigilation duty or GTU observer finds any student with hand written material on this Statistical Formulas or Tables then the student will be booked under UFM norms of GTU.
5. These statistical formula and tables are prepared to facilitate the students during exam. So, all exam centre in-charge must keep sufficient photocopies of the tables and formula so that each student appearing for exam gets individual copy of the same during examination.
